Re: Request for extension of time to comply with ordering paragraph 13 of D. 04-07-022

Dear Mr. Clanon:

Ordering Paragraph 13 of Decision No. 04-07-022 requires Southern California Edison Company ("SCE") to report to the Commission the total compensation received by its ten most highly compensated executives. The report is due annually on February 1. Pursuant to Rule 16.6 of the Commission's Rules of Practice and Procedure, SCE requests an extension till March 18, 2009. We request the extension to better ensure accuracy and consistency of the data in the CPUC Report with information that we will be publishing in our proxy and which is not yet available.

We thank you in advance for your consideration of our request.

Very truly yours,

Gloria M. Ing
