STATE OF CALIFORNIA**

Application of Southern California Edison Company (U338-E) To Establish Marginal Costs, Allocate Revenues, And Design Rates.	)	Application 08-03-002 (Filed March 4, 2008)
	)	
	)	
In the Matter of the Application of Southern California Edison Company (U338-E) for Authority to Make Various Electric Rate Design Changes.	)	Application 07-12-020 (Filed December 21, 2007)
	)	
	)	

**SOUTHERN CALIFORNIA EDISON COMPANY’S (U338-E)  
COMPLIANCE FILING PURSUANT TO RULING  
CONSOLIDATING APPLICATION (A.) 08-03-002 AND A.07-12-020**

Southern California Edison (SCE) filed Application A.07-12-020 as part of the Rate Design Window adopted in Decision D.07-07-004 for consideration prior to the filing of SCE’s 2009 Phase 2 General Rate Case (GRC Phase 2). SCE files this document in compliance with Administrative Law Judge Yip-Kikugawa’s March 26, 2008 Ruling, which consolidates SCE’s request to modify its current rate design to establish a Conservation Incentive Adjustment (CIA) and to modify an existing Low Emission Vehicle (LEV) rate, Schedule TOU-EV-1 with SCE’s GRC Phase 2 application (A.08-03-002). In addition, paragraph 2 requires that “Within 10 days of this Ruling, Southern California Edison shall file additional testimony, if necessary, and supplemental tables on the effect of the Conservation Incentive Adjustment on its proposed residential rate design. This filing shall be served on all parties on the temporary service lists of A.07-12-020 and A.08-03-002.”

SCE does not believe additional testimony is necessary beyond what it already provided in A.07-12-020. In that application, SCE described its CIA proposal, its underlying reasons and

associated customer impacts. Bundled service customers will see no change in their bill as a result of the CIA proposal while non-bundled service customers (i.e. Direct Access and Community Choice Aggregation customers) will be affected in different ways, depending upon their usage levels. SCE will provide an updated bill impact analysis as part of its June 2008 GRC Phase 2 update in Appendix C, Bill Impact Frequency Distribution (Exhibit No. SCE-04 of SCE's GRC Phase 2 application, A.08-03-002).

SCE will also seek clarification at the May 1, 2008 pre-hearing conference as to whether SCE should include the A.07-12-020 material in its entirety in the 2009 GRC Phase 2 update or whether the original application material is sufficient. SCE looks forward to resolving these rate design issues in its GRC Phase 2 proceeding.

Respectfully submitted,

JENNIFER SHIGEKAWA  
MARICRUZ PRADO
