Basis for Intervening:

SCE, a wholly-owned subsidiary of Edison International, is an investor-owned utility subject to the Commission's jurisdiction. SCE's principal place of business is 2244 Walnut Grove Avenue, Rosemead, California 91770. The California Independent System Operator (the CAISO) filed to request to modify its tariff. SCE is a Participating Transmission Owner in the CAISO and has transferred operational control over portions of its electric system to the CAISO. SCE thus has direct and substantial interest in the outcome of this proceeding and SCE's interest in this proceeding cannot be adequately represented by any other party. SCE reserves its rights to raise substantive issues regarding all aspects of this proceeding, and to file additional comments, as warranted by the proceeding.
