SOUTHERN CALIFORNIA EDISON COMPANY
QUALIFICATIONS AND PREPARED TESTIMONY
OF BRANDI M. ANDERSON

Q. Please state your name and business address for the record.
A. My name is Brandi M. Anderson, and my business address is 1551 W. San Bernardino Road, Covina, CA 91722.

Q. Briefly describe your present responsibilities at the Southern California Edison Company.
A. I am the Director of the Revenue Services Organization in SCE’s Customer Service Business Unit. I am responsible for the effective operation of SCE’s billing, credit, collection and payment processes.

Q. Briefly describe your educational and professional background.
A. I earned a Bachelor of Arts Degree from the University of California, San Diego, and a Master of Business Administration Degree from the University of California, Los Angeles. I have worked at SCE for over 20 years in a variety of leadership and project management positions in Consumer Affairs, Customers Service Operations, Customer Program Development, Transmission and Distribution, Business Planning, and Employee Training.

Q. What is the purpose of your testimony in this proceeding?
A. The purpose of my testimony in this proceeding is to sponsor the portions of SCE’s 2021 General Rate Case, Exhibits SCE-03, Volumes 1 and 6, and Exhibit SCE-06, Volume 1, Part 2, as identified in the Tables of Contents thereto.

Q. Was this material prepared by you or under your supervision?
A. Yes, it was.

Q. Insofar as this material is factual in nature, do you believe it to be correct?
A. Yes, I do.

Q. Insofar as this material is in the nature of opinion or judgment, does it represent your best judgment?
A. Yes, it does.

Q. Does this conclude your qualifications and prepared testimony?
A. Yes, it does.
QUALIFICATIONS AND PREPARED TESTIMONY
OF MARK BENNETT

Q. Please state your name and business address for the record.
A. My name is Mark Bennett, and my business address is 1515 Walnut Grove Avenue, Rosemead, California 91770.

Q. Briefly describe your present responsibilities at the Southern California Edison Company.
A. As of June 13, 2016, I hold the position of Director, Total Rewards and Services in the Human Resources operating unit. In that position, my responsibilities include oversight of the employee benefits and executive benefits function, compensation, wellness and HR services, which includes the HR call center, a group to ensure that HR data in our systems is accurate and the processing of onboarding/offboarding. My duties for employee benefits involves benefit plan competitive review and design; benefit program management and administration; coordination of the SCE and EIX Benefit Committee activities; collective bargaining for benefit-related matters; and legislative monitoring and development of policy positions. For compensation, it is to work with executive management to help set the company’s total compensation philosophy. For other areas, I help set the strategic direction and ensure that policies, programs and issues that fall under my management are implemented or addressed timely and accurately. Prior to my current appointment, I held the position of Director, HR Operations. In that capacity, I had responsibility for all of the above, as well as for HR’s technology integration, compliance, regulatory, and workforce analytics functions.

Q. Briefly describe your educational and professional background.
A. In terms of my educational background, in 1985, I graduated with a Bachelor of Arts in Business Administration from Loyola Marymount University in Los Angeles, CA. My undergraduate major was business management. In 1989, I graduated with a Masters in Business Administration in Human Resources Management, again from Loyola Marymount University in Los Angeles, CA. In 2007, I achieved my professional designation as a Certified Employee Benefits Specialist (CEBS). This designation is co-sponsored by the International Foundation of Employee Benefit Plans and the Wharton School of the University of Pennsylvania. In 2011, I achieved the Senior Professional in Human Resources (SPHR) designation. This designation is sponsored by the HR Certification Institute. As to my professional experience, in June 2007, I
joined Southern California Edison as the Manager of Benefits Policy and Planning, which was primarily involved in the development of benefits strategy for the Company. In April 2008, I assumed responsibility over both strategic development of the Company’s benefit plans and policies as well as the administration of its employee benefit programs. In June 2012, I assumed interim responsibility over the Company’s compensation and benefits areas, as well as the HR employee call center. In June 2013, I continued responsibilities over compensation and benefits, but also assumed responsibility over the Occupational Health and Wellness and Disability Management areas. In September 2013, I was promoted to the position of Director, HR Operations. During my tenure at SCE, I have managed the redesign and administration of the Health & Welfare plans, the Edison 401(k) Savings Plan and the retiree health care programs; and represented the Company in collective bargaining of (or provided assistance with) the negotiation of multiple benefits agreements. Prior to joining SCE, I was the HR Operations Manager at IndyMac Bank (which included management of the Benefits, Payroll, Records and HRIS Departments), Benefits Director at EarthLink, Inc., HR Director for InterDent, LLC, Benefits Manager at the Jet Propulsion Laboratory and Vice President-Benefits for H.F. Ahmanson & Company. In total, I have more than 29 years of experience in human resources and employee benefits.

Q. What is the purpose of your testimony in this proceeding?
A. The purpose of my testimony in this proceeding is to sponsor portions of SCE’s 2021 General Rate Case, Exhibit SCE-06, HR – Volume 2, entitled HR – Benefits and Other Compensation, as identified in the Table of Contents thereto.

Q. Was this material prepared by you or under your supervision?
A. Yes, it was.

Q. Insofar as this material is factual in nature, do you believe it to be correct?
A. Yes, I do.

Q. Insofar as this material is in the nature of opinion or judgment, does it represent your best judgment?
A. Yes, it does.

Q. Does this conclude your qualifications and prepared testimony?
A. Yes, it does.
SOUTHERN CALIFORNIA EDISON COMPANY
QUALIFICATIONS AND PREPARED TESTIMONY
OF ALEX BENOLIEL

Q. Please state your name and business address for the record.
A. My name is Alex Benoliel, and my business address is 8631 Rush Street, Rosemead, CA 91770.

Q. Briefly describe your present responsibilities at the Southern California Edison Company.
A. I presently serve as the Director of Corporate Security under the Safety, Security, and Business Resiliency Organizational Unit (OU). I am responsible for Southern California Edison’s overall physical security activities. This includes responsibilities for the development of, and ensuring compliance with, physical security policies; asset and facility risk assessment; development of physical risk mitigation plans; design and implementation of physical security architecture; compliance with State and Federal regulations as they pertain to security; and management of security officers.

Q. Briefly describe your educational and professional background.
A. I have a bachelor’s and a master’s degree in Aerospace Engineering from Virginia Tech and served at Boeing Satellite Systems in El Segundo, California for eight years leading major commercial and government projects. I subsequently served as a Special Agent with the U.S. Department of State, Bureau of Diplomatic Security (DSS), with postings domestically and abroad with a primary focus on the protection of people, information and property. During my 12 years in DSS I was responsible for the protection of various U.S. Embassies in southern Africa. I also led protective teams for two U.S. Secretaries of State, as well as foreign dignitaries; responsible for operational management, the development of policy, and the development and deployment of tactical training. I investigated fraud related to financial, identity, trafficking, and immigration crimes. Immediately prior to joining SCE, I was the Director of Global Security for the Colgate-Palmolive company for five years with responsibilities for the protection of people and company assets located in over 70 countries, as well as multiple Corporate Headquarters and research facilities in the U.S. I joined SCE in January 2019.

Q. What is the purpose of your testimony in this proceeding?
A. The purpose of my testimony in this proceeding is to sponsor portions of SCE’s 2021 General Rate Case, Exhibit SCE-04 Resiliency, Volume 04 entitled Physical Security, and SCE-06, Volume 1, Part 2, Capitalized Software, as identified in the Table of Contents thereto.
Q. Was this material prepared by you or under your supervision?
A. Yes, it was.

Q. Insofar as this material is factual in nature, do you believe it to be correct?
A. Yes, I do.

Q. Insofar as this material is in the nature of opinion or judgment, does it represent your best judgment?
A. Yes, it does.

Q. Does this conclude your qualifications and prepared testimony?
A. Yes, it does.
Q. Please state your name and business address for the record.
A. My name is David Bernaudo, and my business address is 2244 Walnut Grove Avenue, Rosemead, California 91770.

Q. Briefly describe your present responsibilities at the Southern California Edison Company.
A. I am the Principal Manager for the Metering Field Operations Organization in the Transmission and Distribution Operating Unit (T&D). I am responsible for maintaining the integrity of SCE’s electrical metering system and delivering field-based customer service to SCE’s customers. The Metering Field Organization includes meter technicians, field service representatives, revenue protection investigators, and support personnel.

Q. Briefly describe your educational and professional background.
A. I earned a Bachelor of Arts in Management degree from The University of Phoenix, six sigma green belt from Villanova University and am a FEMA certified Planning Chief. I joined SCE in 1980 and have over 30 years of utility experience. I have held various positions within metering throughout my career, including positions as a Meter Technician, Meter Shop Supervisor, Field Test Supervisor, Manager of Direct Access Metering Operations, Manager of Revenue Protection, and Manager of Meter Engineering – Meter Shop. I have been in my current position since 2012. I have been an active member of the Association of Edison Illuminating Companies & Edison Electric Institute and served as Chairman of the Meter and Service Committee.

Q. What is the purpose of your testimony in this proceeding?
A. The purpose of my testimony in this proceeding is to sponsor portions of SCE’s 2021 General Rate Case, Exhibit SCE-02, Volume 1 – Distribution Grid, Part 3 entitled Meter Activities, as identified in the Table of Contents thereto.

Q. Was this material prepared by you or under your supervision?
A. Yes, it was.

Q. Insofar as this material is factual in nature, do you believe it to be correct?
A. Yes, I do.

Q. Insofar as this material is in the nature of opinion or judgment, does it represent your best judgment?
Q. Does this conclude your qualifications and prepared testimony?
A. Yes, it does.
SOUTHERN CALIFORNIA EDISON COMPANY
QUALIFICATIONS AND PREPARED TESTIMONY
OF GRAHAM BLOOM

Q. Please state your name and business address for the record.
A. My name is Graham Bloom and my business address is 2 Innovation Way, Pomona California 91768.

Q. Briefly describe your present responsibilities at the Southern California Edison Company.
A. I am the Senior Manager of the Risk Assessment & Strategy group within the Business Planning organization of SCE’s Transmission and Distribution (T&D) Business Unit. I am responsible for risk assessments related to electrical assets on the SCE system and the development of annual goals for T&D.

Q. Briefly describe your educational and professional background.
A. I hold a Bachelor of Science degree in Economics and a Bachelor of Arts degree in Business Administration from the University of California, Berkeley. I also hold a Master of Business Administration degree from the University of California, Los Angeles. I have worked for Southern California Edison for over five years in T&D Business Planning with responsibilities in various risk assessment, goal planning, and financial planning roles. Prior to joining Edison, my professional background included working in economic consulting as a Research Associate for Cornerstone Research.

Q. What is the purpose of your testimony in this proceeding?
A. The purpose of my testimony in this proceeding is to sponsor the portions of SCE’s 2021 General Rate Case, Exhibit SCE-02 Volume 1 Part 1 titled Distribution Infrastructure Replacement, Chapter 3 titled T&D Operational Risk Management Practices.

Q. Was this material prepared by you or under your supervision?
A. Yes, it was.

Q. Insofar as this material is factual in nature, do you believe it to be correct?
A. Yes, I do.

Q. Insofar as this material is in the nature of opinion or judgment, does it represent your best judgment?
A. Yes, it does.

Q. Does this conclude your qualifications and prepared testimony?
A. Yes, it does.
Q. Please state your name and business address for the record.
A. My name is Timothy James Boucher, and my business address is 2131 Walnut Grove Ave, Rosemead, CA 91770.

Q. Briefly describe your present responsibilities at the Southern California Edison Company.
A. I am the Director of IT Grid Modernization and T&D Special Projects for Southern California Edison (SCE). I oversee the design, delivery, test, implementation and optimization of technology products and services for SCE Grid Modernization and Transmission and Distribution (T&D) special projects. to the operation unit.

Q. Briefly describe your educational and professional background.
A. I hold a Master of Business Administration degree from Loyola Marymount University – Los Angeles and a Bachelor of Science degree in Operations Management from California Polytechnic University – Pomona. Prior to my current role, I was the acting director of Business Process and Technology Integration for T&D, responsible for translating SCE’s operating vision into a comprehensive set of technology and process improvement initiatives. Prior to that I held senior management positions in Business Planning and Benchmarking, Transmission and Distribution Regulatory. I joined SCE in 1997 in the Procurement and Material Management department working on Strategic Sourcing Initiatives. Prior to joining SCE, I worked in the aerospace industry as a senior manager in the Procurement organization where I managed large, technically complex contracts with vendors.

Q. What is the purpose of your testimony in this proceeding?
A. The purpose of my testimony in this proceeding is to sponsor the portions of SCE’s 2021 General Rate Case, Exhibit SCE-02, Volume 4 - System Augmentation Part 1 entitled Grid Modernization, as identified in the Table of Contents thereto.

Q. Was this material prepared by you or under your supervision?
A. Yes, it was.

Q. Insofar as this material is factual in nature, do you believe it to be correct?
A. Yes, I do.
Q. Insofar as this material is in the nature of opinion or judgment, does it represent your best judgment?
A. Yes, it does.

Q. Does this conclude your qualifications and prepared testimony?
A. Yes, it does.
SOUTHERN CALIFORNIA EDISON COMPANY
QUALIFICATIONS AND PREPARED TESTIMONY
OF JAMES A. BUERKLE

Q. Please state your name and business address for the record.
A. My name is James A. Buerkle, and my business address is 1515 Walnut Grove Avenue, Rosemead, California 91770.

Q. Briefly describe your present responsibilities at the Southern California Edison Company.
A. I am the Director of SCE’s Generation Division a component of the Power Supply Operating Unit. I have had this role since September 2017. My responsibilities include leading all aspects of planning, capital investment and operations and maintenance for SCE’s 2,700 MW of Utility-Owned Generation.

Q. Briefly describe your educational and professional background.
A. I graduated with a B.S. in Mechanical Engineering from the University of California at Irvine in 1989, a M.S. in Mechanical Engineering from the University of California at Irvine in 1991, and an MBA in Finance from the Anderson School of Management at the University of California at Los Angeles in 1998. I am a registered professional Mechanical Engineer in the State of California (License Number M28830). I have been employed in the electrical energy sector since 1991. My work experience prior to SCE includes approximately five years as a power plant engineer and five years in the merchant energy sector as a power plant developer and energy marketer. I was hired by SCE in January of 2003 as the Manager of Power Trading and subsequently held the title of Manager of Trading (incorporating gas, power and emissions). In 2007 I became the Director of Energy Contracts and Trading adding non-renewable contract origination and management to my trading duties before becoming the Director of Energy Contracts Management in 2013. In that role I was responsible for managing all aspects of SCE’s energy contract portfolio from execution through termination. Just prior to my current role I was the Director of Trading and Market Operations.

Q. What is the purpose of your testimony in this proceeding?
A. The purpose of my testimony in this proceeding is to sponsor portions of SCE’s 2021 General Rate Case: SCE-05 Generation—Volume 1, Hydro, Fossil Fuel Generation, and Solar O&M and Capital as identified in the table of contents thereto.
Q. Was this material prepared by you or under your supervision?
A. Yes, it was.
Q. Insofar as this material is factual in nature, do you believe it to be correct?
A. Yes, I do.
Q. Insofar as this material is in the nature of opinion or judgment, does it represent your best judgment?
A. Yes, it does.
Q. Does this conclude your qualifications and prepared testimony?
A. Yes, it does.
Q. Please state your name and business address for the record.
A. My name is Dana Cabbell and my business address is 3 Innovation Way, Pomona, California 91768.

Q. Briefly describe your present responsibilities at the Southern California Edison Company.
A. I am the Principal Manager of the Integrated System Planning group for SCE. In this position, I am responsible for providing a holistic view of the long-range planning for SCE’s transmission and distribution systems, allowing for well-informed, strategic decision regarding grid investments, integration of renewable/energy storage resources, enabling grid modernization, and resiliency efforts. I am also responsible for the assessment of generation, transmission and new customer interconnections to the SCE grid, performing joint studies with neighboring utilities, and ensuring compliance with mandatory NERC Reliability Standards and WECC Reliability Criteria.

Q. Briefly describe your educational and professional background.
A. I graduated from California Polytechnic University, San Luis Obispo with a Bachelor of Science degree in Electrical Engineering in 1982. In 1989, I became a Registered Professional Electrical Engineer with the state of California. I have worked for Southern California Edison (SCE) for 36 years in the areas of transmission, subtransmission, and distribution planning.

Q. What is the purpose of your testimony in this proceeding?
A. The purpose of my testimony in this proceeding is to sponsor the portions of SCE’s 2021 General Rate Case, Exhibit SCE-02, Volume 4 - entitled System Augmentation, Part 2 – Load Growth, Transmission Projects and Engineering and SCE-02 Volume 4 – Part 3 – Customer Requested System Modifications, as identified in the Table of Contents.

Q. Was this material prepared by you or under your supervision?
A. Yes, it was.

Q. Insofar as this material is factual in nature, do you believe it to be correct?
A. Yes, I do.

Q. Insofar as this material is in the nature of opinion or judgment, does it represent your best judgment?
A. Yes, it does.

Q. Does this conclude your qualifications and prepared testimony?

A. Yes, it does.
SOUTHERN CALIFORNIA EDISON COMPANY
QUALIFICATIONS AND PREPARED TESTIMONY
OF TODD CAMERON

Q. Please state your name and business address for the record.
A. My name is Todd Cameron, and my business address is 2244 Walnut Grove Avenue, Rosemead, California 91770.

Q. Briefly describe your present responsibilities at the Southern California Edison Company.
A. I serve as a Project Manager for the Treasurer’s department focusing on escalation and economic services. My present responsibilities include applying economic and financial analysis to regulatory issues and for internal corporate purposes.

Q. Briefly describe your educational and professional background.
A. I received a Bachelor’s degree in Economics from San Diego State University and a Master’s degree in Economics from California State University at Fullerton. Prior to joining SCE I was an Econometrician for Xactware Software (1992 – 1996) and an Economist for the Regional Economic Studies Institute (1996 – 1998). In 1998 I joined SCE as a Project Manager focusing on electric market deregulation. At SCE, I have served as a Project Manager in various departments including Customer Service, Human Resources, Transmission and Distribution, Controller’s, and Treasurer’s. I am also a Professor of Economics at California State University Fullerton.

Q. What is the purpose of your testimony in this proceeding?
A. The purpose of my testimony in this proceeding is to sponsor portions of SCE’s 2021 General Rate Case: Exhibit SCE-9, Volume 1, entitled Requested Revenue Requirements, Ratemaking, Forecasts of Sales, Other Operating Revenue, Cost Escalation, Post-Test Year Ratemaking, as identified in the Table of Contents thereto.

Q. Was this material prepared by you or under your supervision?
A. Yes, it was.

Q. Insofar as this material is factual in nature, do you believe it to be correct?
A. Yes, I do.

Q. Insofar as this material is in the nature of opinion or judgment, does it represent your best judgment?
A. Yes, it does.
Q. Does this conclude your qualifications and prepared testimony?
A. Yes, it does.
SOUTHERN CALIFORNIA EDISON COMPANY

QUALIFICATIONS AND PREPARED TESTIMONY

OF THOMAS CHAMP

Q. Please state your name and business address for the record.
A. My name is Thomas Champ, and my business address is 5000 Pacific Coast Highway, San Clemente, CA 92674.

Q. Briefly describe your present responsibilities at the Southern California Edison Company.

Q. Briefly describe your educational and professional background.
A. I earned a Bachelor of Science Degree from the University of Phoenix in Business Administration. I have been employed at San Onofre Nuclear Generating Station since June 1983 and was hired as a Southern California Edison employee in December 1985. I have held a number of technical and supervisory positions in Maintenance Engineering and a number of management positions in Nuclear Finance while in the Power Supply Organizational Unit.

Q. What is the purpose of your testimony in this proceeding?
A. The purpose of my testimony in this proceeding is to sponsor portions of SCE’s 2021 General Rate Case, Exhibit SCE-5, Volume 1 entitled Nuclear, Chapters I – IV, as identified in the Table of Contents thereto.

Q. Was this material prepared by you or under your supervision?
A. Yes, it was prepared with my supervision.

Q. Insofar as this material is factual in nature, do you believe it to be correct?
A. Yes, I do.

Q. Insofar as this material is in the nature of opinion or judgment, does it represent your best judgment?
A. Yes, it does.

Q. Does this conclude your qualifications and prepared testimony?
A. Yes, it does.
SOUTHERN CALIFORNIA EDISON COMPANY  
QUALIFICATIONS AND PREPARED TESTIMONY  
OF BRIAN CHEN

Q. Please state your name and business address for the record.
A. My name is Brian Chen and my business address is 2 Innovation Way, Pomona California 91768-1001.

Q. Briefly describe your present responsibilities at the Southern California Edison Company.
A. I am a Principal Manager of SCE’s Grid Resiliency and Public Safety Program Management Office. In this capacity I oversee the day-to-day operations of the group responsible for enterprise-wide operational mitigation efforts for wildfire and other public safety risks.

Q. Briefly describe your educational and professional background.
A. I joined SCE in 2011 and in my previous roles at SCE, I served as a Project Manager in Regulatory & Strategic Planning, Senior Manager in Transmission & Distribution (“T&D”) Business Planning, and Principal Manager in T&D Engineering Business Strategy & Operations Support. Prior to joining SCE, I was a partner with an investigative engineering consulting firm in Texas and was an Assistant Professor in the Civil Engineering Department at Bucknell University. I hold a Master of Business Administration from the University of California, Los Angeles Anderson Graduate School of Management, along with a Bachelor of Science from Purdue University, and a Master of Science along with a Doctor of Philosophy in Civil Engineering from the University of Texas at Austin.

Q. What is the purpose of your testimony in this proceeding?
A. The purpose of my testimony in this proceeding is to sponsor the portions of SCE’s 2021 General Rate Case, Exhibit SCE-04, Volume 5, Wildfire Management, as identified in the Table of Contents.

Q. Was this material prepared by you or under your supervision?
A. Yes, it was.

Q. Insofar as this material is factual in nature, do you believe it to be correct?
A. Yes, I do.

Q. Insofar as this material is in the nature of opinion or judgment, does it represent your best judgment?
A. Yes, it does.
Q. Does this conclude your qualifications and prepared testimony?
A. Yes, it does.
SOUTHERN CALIFORNIA EDISON COMPANY
QUALIFICATIONS AND PREPARED TESTIMONY
OF MARK W. CHILDS

Q. Please state your name and business address for the record.
A. My name is Mark W. Childs, and my business address is 2244 Walnut Grove Avenue, Rosemead, California 91770

Q. Briefly describe your present responsibilities at the Southern California Edison Company.
A. I am the Director of Tax for Southern California Edison Company. In this capacity, I am responsible for managing and directing all of the tax accounting and tax regulatory functions for the Company including all tax matters in the CPUC rate filings made by the Company.

Q. Briefly describe your educational and professional background.
A. I hold a Bachelor of Science degree in Accounting from Pepperdine University. I joined the Southern California Edison Company in 2010 and was then promoted to my current role shortly after joining the Company. Prior to joining the Company, I spent sixteen years with Mattel, Inc. most recently as the Senior Director of Tax. My primary responsibilities there included the tax implementation and continued compliance with Sarbanes-Oxley as well as managing and directing all of the tax accounting functions.

Q. What is the purpose of your testimony in this proceeding?
A. The purpose of my testimony in this proceeding is to sponsor those portions of SCE’s 2021 General Rate Case, Exhibit SCE-07, Volume 1 Results of Operations and Volume 2 Rate Base, Plant and Reserve, Depreciation Expense, Working Capital and Taxes, as identified in the Tables of Contents thereto.

Q. Was this material prepared by you or under your supervision?
A. Yes, it was.

Q. Insofar as this material is factual in nature, do you believe it to be correct?
A. Yes, I do.

Q. Insofar as this material is in the nature of opinion or judgment, does it represent your best judgment?
A. Yes, it does.

Q. Does this conclude your qualifications and prepared testimony?
A. Yes, it does.
SOUTHERN CALIFORNIA EDISON COMPANY
QUALIFICATIONS AND PREPARED TESTIMONY
OF TIMOTHY CONDIT

Q. Please state your name and business address for the record.
A. My name is Timothy Condit, and my business address is 1515 Walnut Grove Avenue in
   Rosemead, CA 91770.

Q. Briefly describe your present responsibilities at the Southern California Edison Company (SCE).
A. I am a Senior Project Manager within the Generation Division of the Power Supply Business
   Unit. My responsibilities include the preparation of information and documentation to support
   regulatory filings, data requests, and business analyses.

Q. Briefly describe your educational and professional background.
A. I received my Bachelor of Science degree in Civil Engineering from Arizona State University in
   1998. I joined SCE’s Generation Division in 2010. In my initial position as a Project Manager I,
   I managed construction projects for SCE’s Northern Hydroelectric Department. In September of
   2012, I transferred from the Northern Hydro Department to the Business Planning Department,
   assuming my current position as a Senior Project Manager.

Q. What is the purpose of your testimony in this proceeding?
A. The purpose of my testimony in this proceeding is to sponsor portions of SCE’s 2021 General
   Rate Case, SCE-05 Generation—Volume 1, Hydro, Fossil Fuel Generation, and Solar O&M and
   Capital, and accompanying workpapers, as well as two portions of SCE-06 Information
   Technology (IT) Volume 1, Part 2—Capitalized Software, as identified in the table of contents
   thereto.

Q. Was this material prepared by you or under your supervision?
A. Yes, it was.

Q. Insofar as this material is factual in nature, do you believe it to be correct?
A. Yes, I do.

Q. Insofar as this material is in the nature of opinion or judgment, does it represent your best
   judgment?
A. Yes, it does.

Q. Does this conclude your qualifications and prepared testimony?
A. Yes, it does.
Q. Please state your name and business address for the record.
A. My name is Don Daigler, and my business address is 8631 Rush Street, Rosemead, CA 91770.

Q. Briefly describe your present responsibilities at the Southern California Edison Company.
A. I am the Director of Business Resiliency under the Operational Services Organizational Unit (OU). I am responsible for Southern California Edison’s overall Business Resiliency activities. I also manage the company’s emergency management functions for all hazards facing the company’s business lines, facilities, and people and lead the development and implementation of corporate Business Continuity Plans and Disaster Recovery Plans.

Q. Briefly describe your educational and professional background.
A. I have a Bachelor of Science in Liberal Studies with an educational focus on Health Physics and have more than 30 years of experience in the areas of national security and emergency management. My career includes 26 years of service in the federal government, where I have held several senior leadership positions, both in the field and at the policy level in Washington, D.C. Immediately prior to joining SCE, I was the Response Planning Director for the Federal Emergency Management Agency (FEMA), where I led all national and regional response planning activities and was the planning lead during several large scale disasters, such as hurricanes Sandy, Isaac, and Irene. In that capacity, I was also responsible for leading the agency’s chemical, biological, radiological, nuclear, and explosives programs as well as the National Hurricane Program and Remote Sensing Program. Previously, I ran the Technology Integration Program for the Department of Energy’s National Nuclear Security Administration, which developed specialized emergency response equipment. Before moving to Washington, D.C., I held leadership roles for the Department of Energy’s Nevada Site Office, including the position of Director of the Homeland Security and Defense Division. My federal government experience also includes experience with the Environmental Protection Agency and the Department of Defense.

Q. What is the purpose of your testimony in this proceeding?
A. The purpose of my testimony in this proceeding is to sponsor portions of SCE’s 2021 General Rate Case Exhibit SCE-04, Resilience, Volume 1 entitled Business Continuation, Volume 2, entitled Emergency Management, and Volume 5, entitled Wildfire Management, as identified in the Table of Contents thereto.

Q. Was this material prepared by you or under your supervision?
A. Yes, it was.

Q. Insofar as this material is factual in nature, do you believe it to be correct?
A. Yes, I do.

Q. Insofar as this material is in the nature of opinion or judgment, does it represent your best judgment?
A. Yes, it does.

Q. Does this conclude your qualifications and prepared testimony?
A. Yes, it does.
Q. Please state your name and business address for the record.
A. My name is Stephen A. Dixon and my business address is 2244 Walnut Grove Avenue, Rosemead, California, 91770.

Q. Briefly describe your present responsibilities at the Southern California Edison Company.
A. I am currently a Senior Financial Analyst within the Capital Asset Analytics Department of Southern California Edison (SCE). As such, I am responsible for forecasting rate base and depreciation expense, supporting depreciation studies, and developing testimony and workpapers in support of SCE’s filings with the CPUC.

Q. Briefly describe your educational and professional background.
A. I have a Bachelor’s of Science degree in Business Administration, with an emphasis in Accounting, from California State University, Los Angeles. In addition, I am a Certified Depreciation Professional and am licensed in the state of California as a Certified Public Accountant. When my career with SCE first began, I worked within the Controllers organization and my primary responsibilities included tracking rate base changes associated with FERC transmission projects and performing plant, reserve, and depreciation expense reconciliations. I then transitioned to a new position that focused primarily on performing capital asset valuations to be used in sale, annexation and condemnation transactions. I started in my current position as a Senior Financial Analyst at SCE in February of 2017.

Q. What is the purpose of your testimony in this proceeding?
A. The purpose of my testimony in this proceeding is to sponsor the portions of SCE’s 2021 General Rate Case, Exhibit SCE-07, Vol-02, entitled Rate Base, Plant and Reserve, Depreciation Expense, Working Capital and Taxes, as identified in the Table of Contents thereto.

Q. Was this material prepared by you or under your supervision?
A. Yes, it was.

Q. Insofar as this material is factual in nature, do you believe it to be correct?
A. Yes, I do.

Q. Insofar as this material is in the nature of opinion or judgment, does it represent your best judgment?
A. Yes, it does.
Q. Does this conclude your qualifications and prepared testimony?
A. Yes, it does.
SOUTHERN CALIFORNIA EDISON COMPANY
QUALIFICATIONS AND PREPARED TESTIMONY
OF TARRANCE FRIERSON

Q. Please state your name and business address for the record.
A. My name is Tarrance Frierson and my business address is 2244 Walnut Grove Avenue, Rosemead, California 91770.

Q. Briefly describe your present responsibilities at the Southern California Edison Company.
A. I am the Principal Manager of Supplier Diversity and Development within the Customer & Operational Services organizational unit of Southern California Edison (SCE). I am responsible for managing all aspects of SCE’s compliance with applicable rules, regulations and public laws related to inclusive procurement. This includes developing strategies, programs and spend goals that facilitate the ongoing inclusion and growth of small and diverse business enterprises.

Q. Briefly describe your educational and professional background.
A. I hold a Bachelor of Science degree in Finance from Ball State University, a Master of Science degree in Leadership & Management from the University of LaVerne, and both a Project Management and Lean Six Sigma Green Belt certification. Prior to my current role, I was the Global Procurement Manager for Supplier Diversity at Bristol-Myers Squibb. I have led cross-functional project teams, managed large budgets, negotiated settlements agreements, and more. In addition, I serve on the Board of Directors for the Cal Asian Chamber of Commerce, Southern California Minority Supplier Development Council, and lead the Women Business Enterprise National Council’s Utility Advisory Board.

Q. What is the purpose of your testimony in this proceeding?
A. The purpose of my testimony in this proceeding is to sponsor the portions of SCE’s 2021 General Rate Case, Exhibit-6 Enterprise Support, Vol 2. Enterprise Planning & Governance, Chapters V & IV - Supply Chain Management-Supplier Diversity and Development, as identified in the Table of Contents.

Q. Was this material prepared by you or under your supervision?
A. Yes, it was.

Q. Insofar as this material is factual in nature, do you believe it to be correct?
A. Yes, I do.
Q. Insofar as this material is in the nature of opinion or judgment, does it represent your best judgment?
A. Yes, it does.
Q. Does this conclude your qualifications and prepared testimony?
A. Yes, it does.
Q. Please state your name and business address for the record.
A. My name is Kelly A. Garcia and my business address is 7300 Fenwick Lane, Westminster, CA 92683.

Q. Briefly describe your present responsibilities at the Southern California Edison Company.
A. I am a Principal Manager within the Business Customer Division of Southern California Edison (SCE). The Business Customer Division is the primary contact serving SCE’s non-residential customers providing account management, technical, educational, operational, and financial services and support associated with utility and energy-related matters.

Q. Briefly describe your educational and professional background.
A. I hold a Bachelor of Arts Degree from the University of California, Santa Barbara in Environmental Studies with an emphasis in Energy. I have worked at SCE for over 20 years in a variety of leadership and project management positions in the Business Customer Division, Transmission and Distribution, Revenue Services, and Regulatory Affairs.

Q. What is the purpose of your testimony in this proceeding?
A. The purpose of my testimony in this proceeding is to sponsor the portions of SCE’s 2021 General Rate Case, Exhibit SCE-03, Volume 4 – Customer Contacts, Volume 5 – Customer Care Services, Volume 6 – Other Operating Revenue and Service Fees, as identified in the Table of Contents.

Q. Was this material prepared by you or under your supervision?
A. Yes, it was.

Q. Insofar as this material is factual in nature, do you believe it to be correct?
A. Yes, I do.

Q. Insofar as this material is in the nature of opinion or judgment, does it represent your best judgment?
A. Yes, it does.

Q. Does this conclude your qualifications and prepared testimony?
A. Yes, it does.
SOUTHERN CALIFORNIA EDISON COMPANY
QUALIFICATIONS AND PREPARED TESTIMONY
OF KIMBERLY GARCIA

Q. Please state your name and business address for the record.
A. My name is Kimberly Garcia and my business address is 1515 Walnut Grove Avenue, Rosemead, CA 91770.

Q. Briefly describe your present responsibilities at the Southern California Edison Company.
A. I am the Principal Manager of Strategy & Workforce Insights in Human Resources responsible for developing and implementing SCE’s People Strategy. I lead the organization responsible for strategic planning & integration, workforce planning, data analytics/insights, benchmarking, and portfolio/project management.

Q. Briefly describe your educational and professional background.
A. I hold an MBA degree from Pepperdine University, Malibu and a Bachelor’s of Science degree in Human Resource Management from California Polytechnic University, Pomona. I joined SCE in July 2007 as a Senior Project Manager in Human Resources providing organizational development, change management, and project management expertise on strategic customer service initiatives. In 2010, I accepted a senior manager position in the Ethics and Compliance department where I was responsible for managing and implementing enterprise-wide initiatives designed to create employee awareness and education about ethics, and compliance with company policies to enhance and promote an ethical culture. Before joining SCE in 2007, I was an organizational change management consultant for a global management and technology services consulting firm where I developed and implemented strategies to transition individuals and organizations through complex changes.

Q. What is the purpose of your testimony in this proceeding?
A. The purpose of my testimony in this proceeding is to sponsor the portions of SCE’s General Rate Case, Exhibit SCE-06, Volume 1, Part 1, entitled Enterprise Technology, as identified in the Table of Contents thereto.

A. Yes, it was.

Q. Insofar as this material is factual in nature, do you believe it to be correct?
A. Yes, I do.
Q. Insofar as this material is in the nature of opinion or judgment, does it represent your best judgment?
A. Yes, it does.
Q. Does this conclude your qualifications and prepared testimony?
A. Yes, it does.
Q. Please state your name and business address for the record.
A. My name is Glenn Haddox, and my business address is 2244 Walnut Grove Avenue, Rosemead CA 91770.

Q. Briefly describe your present responsibilities at the Southern California Edison Company.
A. I am the Director of Cybersecurity & IT Compliance at Southern California Edison (SCE). I am responsible for information security activities designed to protect information and technology assets. I also lead SCE’s information security governance activities, including regulatory watch, risk assessment, policy development and compliance, security strategy and programs, and incident response and forensics.

Q. Briefly describe your educational and professional background.
A. I have served in a variety of management and leadership roles, primarily in the Defense industry. Overall, I have 30 years of U.S. Department of Defense background at Top Secret Level in Cyber, Intelligence, Cryptology, and Communications. Prior to joining SCE in May 2012, I was director of cybersecurity for Honeywell, where I was responsible for overall guidance and direction of cybersecurity. Prior to that, I was employed at Ultra Prologic as the vice president for Command, Control, Communications, Computers, and Intelligence (C4I). I have extensive experience in cryptology, technical and product offerings, International Traffic in Arms Regulations (ITAR) control, team composition, training and mentoring programs, CMMI 3, and ISO 9001. I earned my Bachelor of Science degree in Organic Chemistry from Armstrong State University in Savannah, Georgia and attended a number of technical schools as an officer in the U.S. Navy.

Q. What is the purpose of your testimony in this proceeding?
A. The purpose of my testimony in this proceeding is to sponsor the portions of SCE’s 2021 General Rate Case, Exhibit SCE-04, Volume 3, entitled Resiliency—Cybersecurity.

Q. Was this material prepared by you or under your supervision?
A. Yes, under my supervision.

Q. Insofar as this material is factual in nature, do you believe it to be correct?
A. Yes, I do.
Q. Insofar as this material is in the nature of opinion or judgment, does it represent your best judgment?
A. Yes, it does.
Q. Does this conclude your qualifications and prepared testimony?
A. Yes, it does.
Q. Please state your name and business address for the record.
A. My name is Gregory Henry, and my business address is 2244 Walnut Grove Avenue, Rosemead, California 91770.

Q. Briefly describe your present responsibilities at the Southern California Edison Company (SCE).
A. I am a Director in the Treasurer’s Department. I am responsible for managing the trust investment programs for Edison’s pension fund, PBOP trusts, nuclear decommissioning trusts, and investment funds for the 401k plan. In this capacity, I work to establish strategic trust investment strategies, select and monitor investment managers, investment funds and other service providers. I am also responsible for trust fund administration related to contributions, withdrawals and investment activity for the pension fund, PBOP trusts and nuclear decommissioning trusts. I also have oversight responsibilities for the cash management, long term financing and the regulatory economics groups.

Q. Briefly describe your educational and professional background.
A. I received a Bachelor’s degree in Economics and Accounting from the University of the West Indies in 1987; a Master of Business Administration (Finance) from California State University, San Bernardino in 1997 and I am a CFA charter holder. I joined the Southern California Edison Company as a Financial Analyst in the Planning and Analysis group of the Treasurer’s Department in 1998 and transferred to the Investments Division in 2000. I have previously testified before the California Public Utilities Commission.

Q. What is the purpose of your testimony in this proceeding?

Q. Briefly describe your present responsibilities at the Southern California Edison Company.
A. I am the Director of the IT Solution Planning & Delivery Organization. I am responsible for the planning, estimation, project management and delivery of Information Technology solutions to operating units across Southern California Edison.

Q. Briefly describe your educational and professional background.
A. I received a Bachelors of Science in Mathematics and Computer Science from California State University, Long Beach. I have over 25 years professional experience in both technical and management functions across local government, banking and IT professional services companies. I joined SCE in 2006 as an IT Client Relationship Manager, focusing on strategic planning for SCE Corporate functions. In 2009, I moved to a role as the primary IT liaison to the Energy Procurement and Management and Generation organizations, managing technology strategy and delivery of IT solutions to the business. In 2017, I moved to the Solutions Delivery organization, focusing on project management and delivery of systems for the Customer Services organization, Energy Procurement and Generation portfolios. In 2018, I was promoted to Director of IT Solution Delivery and since assumed IT planning functions as part of my overall teams’ responsibilities.

Q. What is the purpose of your testimony in this proceeding?
A. The purpose of my testimony in this proceeding is to sponsor the portions of SCE-6, Volume 1, Pt. 1, entitled Enterprise Support—Enterprise Technology, as identified in the Table of Contents thereto.

Q. Was this material prepared by you or under your supervision?
A. Yes, it was.

Q. Insofar as this material is factual in nature, do you believe it to be correct?
A. Yes, I do.
Q. Insofar as this material is in the nature of opinion or judgment, does it represent your best judgment?
A. Yes, it does.
Q. Does this conclude your qualifications and prepared testimony?
A. Yes, it does.
Q. Please state your name and business address for the record.
A. My name is John Janney, and my business address is 2131 Walnut Grove Ave, Rosemead CA 91770. I am a Principal Manager within IT’s Grid Services Organization. I have accountability for the implementation and maintenance of SCE’s transmission, distribution and generation control systems including application and data center technology support. In addition, I am accountable for ensuring these systems are operated in accordance with NERC CIP and Cyber Security standards.

Q. Briefly describe your educational and professional background.
A. I have a bachelor’s degree in Business Administration from California State University, Fullerton and over 20 years of experience managing Information and Operational Technology within the power industry. Over the years, I have held various leadership positions in architecture, application development, solution delivery and infrastructure operations. Prior to coming to SCE in 2009, I served 7 years as the Vice President of Information Technology for Commerce Energy Group.

Q. What is the purpose of your testimony in this proceeding?
A. The purpose of my testimony in this proceeding is to sponsor the portions of SCE’s 2021 General Rate Case, Exhibit SCE-02, Volume 3, entitled Substation as identified in the Table of Contents thereto.

Q. Was this material prepared by you or under your supervision?
A. Yes, it was.

Q. Insofar as this material is factual in nature, do you believe it to be correct?
A. Yes, I do.

Q. Insofar as this material is in the nature of opinion or judgment, does it represent your best judgment?
A. Yes, it does.

Q. Does this conclude your qualifications and prepared testimony?
A. Yes, it does.
Q. Please state your name and business address for the record.
A. My name is Josh Jiang and my business address is 345 California St., San Francisco, CA 94104.

Q. Briefly describe your present responsibilities at the Southern California Edison Company.
A. I am the Managing Director of Marsh. I oversee Marsh’s insurance brokerage service team for Southern California Edison (SCE).

Q. Briefly describe your educational and professional background.
A. BA of Business Economics from UCLA and MBA from Santa Clara University. Certified Public Accountant (CPA) designation from Washington State and is a Chartered Property and Casualty Underwriter (CPCU) and an Associate In Risk Management (ARM).

Q. What is the purpose of your testimony in this proceeding?
A. The purpose of my testimony in this proceeding is to sponsor the Insurance Chapter of SCE’s 2021 General Rate Case, SCE-06 Vol. 02 Enterprise Planning & Governance, as identified in the Table of Contents.

Q. Was this material prepared by you or under your supervision?
A. Yes, it was.

Q. Insofar as this material is factual in nature, do you believe it to be correct?
A. Yes, I do.

Q. Insofar as this material is in the nature of opinion or judgment, does it represent your best judgment?
A. Yes, it does.

Q. Does this conclude your qualifications and prepared testimony?
A. Yes, it does.

A. Yes, I do.

Q. Insofar as this material is in the nature of opinion or judgment, does it represent your best judgment?
A. Yes, it does.

Q. Does this conclude your qualifications and prepared testimony?
A. Yes, it does.
SOUTHERN CALIFORNIA EDISON COMPANY
QUALIFICATIONS AND PREPARED TESTIMONY
OF PAUL P. JOSEPH

Q. Please state your name and business address for the record.
A. My name is Paul P. Joseph, and my business address is 3 Innovation Way, Pomona, CA 91768.

Q. Briefly describe your present responsibilities at the Southern California Edison Company.
A. I am currently a Principal Manager within the Transmission and Distribution Operating Unit (T&D) at Southern California Edison Company managing the Design Support Organization. My responsibilities include the design, oversight, and resource and performance management of the distribution planning process. I began my career at Southern California Edison in 1997 as a designer of distribution line extensions. During my time within T&D, I held positions of increasing responsibility, performing staff and project management work before accepting the position of Principal Manager of Work Management in the IT Center of Continuous Improvement at Southern California Edison in July 2010. I held additional Principal Manager positions within T&D and IT responsible for the development of the T&D work management technology portfolio. Prior to starting my current position, I supported process improvement efforts within the Distribution Business Line and T&D Work Management. I assumed my current position in September 2016.

Q. Briefly describe your educational and professional background.
A. I have a Bachelor of Science in Mathematics from UCLA and a Master of Business Administration from UCI.

Q. What is the purpose of your testimony in this proceeding?
A. The purpose of my testimony in this proceeding is to sponsor portions of SCE’s 2021 General Rate Case, Exhibit SCE-02 – Grid Activities Volume 4 Part 3– New Service Connections and Customer Requested System Modifications and Exhibit SCE-07 - Results of Operations Volume 1 - Mobile Home Park Utility Upgrade Program, as identified in the Table of Contents thereto.

Q. Was this material prepared by you or under your supervision?
A. Yes, it was.

Q. Insofar as this material is factual in nature, do you believe it to be correct?
A. Yes, I do.
Q. Insofar as this material is in the nature of opinion or judgment, does it represent your best judgment?

A. Yes, it does.

Q. Does this conclude your qualifications and prepared testimony?

A. Yes, it does.
Q. Please state your name and business address for the record.
A. My name is Vibhu Kaushik and my business address is 2 Innovation Way, Pomona, California 91768.

Q. Briefly describe your present responsibilities at the Southern California Edison Company.
A. I am the Director of Grid Technology and Modernization within the Transmission and Distribution organizational unit of Southern California Edison (SCE). I am leading SCE’s strategic roadmap for grid modernization, and serve as SCE’s leader in applied research and grid modernization, leading industry groups and external stakeholders on industry initiatives, research activities, standards and cooperative projects. I also lead SCE’s technical efforts in deployment of emerging technologies including key integrated pilot demonstration projects.

Q. Briefly describe your educational and professional background.
A. I hold a Master of Business Administration degree from the University of California - Los Angeles, Anderson School of Management, a Master of Science degree in Mechanical Engineering from the University of Manitoba, Canada, and a Bachelor’s degree in Mechanical Engineering from Indian Institute of Technology, Delhi, India. Prior to my current role, I held several roles within SCE including Principal Manager of Asset Management and Generation Strategy group where I was responsible for driving the major maintenance and capital investment decisions and maximize the returns for company’s hydroelectric, natural gas, energy storage, and solar power plants. Prior to joining SCE in 2011, I worked with Manitoba Hydro in Canada where I managed operations planning at the Manitoba Hydro’s system control center.

Q. What is the purpose of your testimony in this proceeding?
A. The purpose of my testimony in this proceeding is to sponsor the portions of SCE’s 2021 General Rate Case, Exhibit SCE-02, Volume 4 - System Augmentation Part 1 entitled Grid Modernization, Grid Technology Assessments, Pilots & Adoption, and Energy Storage, as identified in the Table of Contents.

Q. Was this material prepared by you or under your supervision?
A. Yes, it was.

Q. Insofar as this material is factual in nature, do you believe it to be correct?
A. Yes, I do.
Q. Insofar as this material is in the nature of opinion or judgment, does it represent your best judgment?
A. Yes, it does.
Q. Does this conclude your qualifications and prepared testimony?
A. Yes, it does.

QUALIFICATIONS AND PREPARED TESTIMONY
OF ROBERT LEMOINE

Q. Please state your name and business address for the record.

A. My name is Robert LeMoine and my business address is 2244 Walnut Grove Avenue, Rosemead, California 91770.

Q. Briefly describe your present responsibilities at the Southern California Edison Company.

A. I am the Director of Enterprise Risk Management (“ERM”) and Insurance within the ERM, Insurance, and Audit Services organizational unit of Southern California Edison (SCE). I also manage a team of data scientists. ERM is responsible for identifying and assessing the key risks of the company and identifying the mitigations for those risks. ERM is also responsible for the RAMP filing. ERM provides guidance to the operational functions throughout the company regarding risk identification and assessment and helps drive risk-informed decision-making throughout the company. The insurance team is responsible for procuring all the insurance policies held by the company, including general liability, wildfire, property (including earthquake), cybersecurity, worker’s compensation, and D&O insurance. The insurance team also interacts with the claims organization on claims administration. Finally, the data scientists perform data analytics in support of ERM, Audit Services, and Insurance.

Q. Briefly describe your educational and professional background.

A. I have a B.S.E. in Civil Engineering from Loyola Marymount University and an M.S. in Environmental Engineering from U.C. Berkeley. I worked for two years at CAD Masters, Inc., a small civil engineering firm in Walnut Creek, California and then attended law school. I obtained my J.D. from Brooklyn Law School and worked as an associate attorney at Skadden, Arps in Los Angeles, California for five years. I joined SCE’s law department in 2007 where I specialized in regulatory litigation, including General Rate Cases and wildfire related regulatory proceedings before the CPUC that were opened following the 2007 wildfires in Southern California. In 2011, I took a development assignment as the Principal Manager of Maintenance and Inspection in SCE’s Transmission and Distribution Business Unit. In 2013, I returned to the law department. In 2016, I joined the Audit Services Department on a developmental assignment as a manager of operational audits. In 2017, I was promoted to Director of
Operational, IT, and Cybersecurity Audits. In December 2018, I assumed my current role as Director of ERM and Insurance.

Q. What is the purpose of your testimony in this proceeding?
A. The purpose of my testimony in this proceeding is to sponsor the portions of SCE’s 2021 General Rate Case, SCE-01, Vol. 02, Risk Informed Strategy & Business Plan, as identified in the Table of Contents.

Q. Was this material prepared by you or under your supervision?
A. Yes, it was.

Q. Insofar as this material is factual in nature, do you believe it to be correct?
A. Yes, I do.

Q. Insofar as this material is in the nature of opinion or judgment, does it represent your best judgment?
A. Yes, it does.

Q. Does this conclude your qualifications and prepared testimony?
A. Yes, it does.

OF LINDA R. LETIZIA

Q. Please state your name and business address for the record.
A. My name is Linda R. Letizia, and my business address is 8631 Rush Street, Rosemead, California 91770.

Q. Briefly describe your present responsibilities at the Southern California Edison Company (“SCE”).
A. I am the Principal Manager of the CPUC Revenue Requirements and Tariffs group in the State Regulatory Operations Department, and have overall responsibility for the management, development, and presentation of revenue requirements and ratemaking showings before the California Public Utilities Commission.

Q. Briefly describe your educational and professional background.
A. I graduated from the University of California at Davis in 1980 with a Bachelor of Science degree in Mathematics. I have been employed by Southern California Edison Company since 1984. Since joining Edison, I have held various positions in the Regulatory Policy and Affairs and Regulatory Operations departments. My responsibilities have included revenue allocation and rate design, the preparation of pricing studies and analyses, and the development of revenue requirements and ratemaking proposals for numerous regulatory proceedings before the California Public Utilities Commission. I have also been employed in the Capital Recovery Section and Corporate Budgets Section of the Controller’s Department. I have previously testified before the California Public Utilities Commission.

Q. What is the purpose of your testimony in this proceeding?
A. The purpose of my testimony in this proceeding is to sponsor portions of SCE’s 2021 General Rate Case, Exhibit SCE-07, Volume 1, Results of Operation, as identified in the Table of Contents thereto.

Q. Was this material prepared by you or under your supervision?
A. Yes, it was.

Q. Insofar as this material is factual in nature, do you believe it to be correct?
A. Yes, I do.

QUALIFICATIONS AND PREPARED TESTIMONY
OF APRIL LI

Q. Please state your name and business address for the record.
A. My name is April Li and my business address is 2244 Walnut Grove Avenue, Rosemead, California 91770.

Q. Briefly describe your present responsibilities at the Southern California Edison Company.
A. I am the Principal Manager of the Regulatory and Revenue Accounting & Analysis group for SCE. In this position, I am responsible for the accounting and analysis of SCE’s regulatory proceedings and corresponding financial impacts, including the accounting of the implementation of SCE’s CPUC general rate cases and FERC formula rates, as well as the accounting for other non-GRC, non-FERC balancing accounts and memorandum accounts. I am also responsible for the assessment, accounting and analysis of SCE’s revenue generating as well as cost deferral activities under the General Accepted Accounting Principles in the United States (US GAAP).

Q. Briefly describe your educational and professional background.
A. I graduated from Central University of Economics and Finance in Beijing, China with a Bachelor of Science degree in 1999. In 2010, I became a Certified Public Accountant (CPA), registered in the state of California. In 2013, I also became a Certified Internal Auditor (CIA). I have worked for Southern California Edison (SCE) for over two years in the regulatory as well as corporate accounting areas. Prior to SCE, I spent more than 10 years with Ernst & Young, LLP (EY), one of the big-4 accounting firms, in both EY’s Beijing China office and Los Angeles office.

Q. What is the purpose of your testimony in this proceeding?
A. The purpose of my testimony in this proceeding is to sponsor the portions of SCE’s 2021 General Rate Case, Exhibits SCE-06 Volume 2, entitled Financial Oversight and Transactional Processing, as identified in the Table of Contents.

Q. Was this material prepared by you or under your supervision?
A. Yes, it was.

Q. Insofar as this material is factual in nature, do you believe it to be correct?
A. Yes, I do.
Q. Insofar as this material is in the nature of opinion or judgment, does it represent your best judgment?
A. Yes, it does.
Q. Does this conclude your qualifications and prepared testimony?
A. Yes, it does.
Q. Please state your name and business address for the record.
A. My name is Jessica Lim, and my business address is 1515 Walnut Grove Avenue, Rosemead, California 91770.

Q. Briefly describe your present responsibilities at the Southern California Edison Company (SCE).
A. I am the Principal Manager of Product Management in the Customer Programs and Services division of SCE. In this role, I am responsible for a subset of a portfolio of Customer Service programs, rates, and services focused on Customer Distributed Resources Programs, as well as Pricing Implementation.

Q. Briefly describe your educational and professional background.
A. I completed a Bachelor’s degree in Administrative Studies from U.C. Riverside with emphasis in business administration and marketing. I completed the Masters of Science in Leadership and Management program through the University of La Verne. I have worked at SCE for approximately 12 years in Customer Service. Prior to my current function, which I described above, I was the Principal Manager of Customer Engagement in the Customer Programs and Services division of SCE. In this role, I was responsible for SCE’s marketing communications and the digital customer experience associated with Customer Service programs, rates, and services. I have also served as the Principal Manager of Planning, Performance, and Integration in the Customer Service Operating Division. Prior to that position, I was the Manager of Customer Strategy in Customer Experience and Management for approximately five years. Prior to SCE, I had over 10 years of experience in business working in disciplines such as advertising, marketing, and e-commerce for a variety of profit and not-for-profit organizations and clients.

Q. What is the purpose of your testimony in this proceeding?
A. The purpose of my testimony in this proceeding is to sponsor portions of SCE’s 2021 General Rate Case, Customer Interactions Exhibit SCE-03: Volume 2 – Communications, Education, and Outreach; Volume 4 – Customer Contacts, and Volume 5 – Customer Care Services; and Exhibit SCE-06, Volume 1, Part 1, capitalized software projects, as identified in the Table of Contents thereto.

Q. Was this material prepared by you or under your supervision?
A. Yes, it was.
Q. Insofar as this material is factual in nature, do you believe it to be correct?
A. Yes, I do.
Q. Insofar as this material is in the nature of opinion or judgment, does it represent your best judgment?
A. Yes, it does.
Q. Does this conclude your qualifications and prepared testimony?
A. Yes, it does.
Q. Please state your name and business address for the record.
A. My name is Caroline Meissner and my business address is 2 Innovation Way, Pomona, California 91768.

Q. Briefly describe your present responsibilities at the Southern California Edison Company.
A. I am the Principal Manager of the Project Engineering, Construction Advisors and Quality Assurance group within the Major Projects organizational unit of Southern California Edison (SCE). In this role, I am responsible for the engineering oversight of major projects as well as advising SCE’s Project Managers on construction and quality risks and best practices.

Q. Briefly describe your educational and professional background.
A. I have a Bachelor of Science degree from California Polytechnic University, Pomona in Electrical Engineering. I am a registered Professional Engineer in the state of California. I have worked at SCE for 20 years, with 17 years in the area of transmission line engineering.

Q. What is the purpose of your testimony in this proceeding?
A. The purpose of my testimony in this proceeding is to sponsor the portions of SCE’s 2021 General Rate Case, Exhibit SCE-02, entitled System Augmentation – Transmission Projects, as identified in the Table of Contents.

Q. Was this material prepared by you or under your supervision?
A. Yes, it was.

Q. Insofar as this material is factual in nature, do you believe it to be correct?
A. Yes, I do.

Q. Insofar as this material is in the nature of opinion or judgment, does it represent your best judgment?
A. Yes, it does.

Q. Does this conclude your qualifications and prepared testimony?
A. Yes, it does.
Q. Please state your name and business address for the record.
A. My name is Lorene M. Miller, and my business address is 6040 N. Irwindale Avenue, Suite A, Irwindale, California 91702.

Q. Briefly describe your present responsibilities at the Southern California Edison Company (SCE).
A. I serve as Managing Director of the Customer Service Re-Platform Program, responsible for the implementation of Customer Service Information Technology systems to replace SCE’s mainframe-based customer relationship and billing platform.

Q. Briefly describe your educational and professional background.
A. I hold a Bachelor of Science Degree in Computer Science from California State University at Los Angeles and a Master of Science degree in Leadership and Management from the University of La Verne. I have been employed at Southern California Edison (SCE) for twenty nine years. My experience at SCE includes systems analysis and application development in the Information Technology (IT) department and over twenty years of leadership experience in project and operations management in the Customer Service and IT areas. I was the principal manager of the Billing Organization responsible for usage, billing, payment, and credit management of SCE’s customers from 2000-2003. In December 2003, I was promoted to Director of Business Process & Technology Integration for Customer Service. From 2006 through 2008, I was Director of the Program Management Office of the Enterprise Resource Planning project responsible for project scope and deliverables for the largest utility implementation of SAP software. From 2008 through 2013, I was Director of the Customer Communication Organization responsible for planning, strategy and operations of SCE’s contact center. From 2013 through 2016, I was Director of the IT Business Integration & Delivery organization responsible for the implementation and overall effectiveness of Customer Service technology solutions. I assumed my current position in 2017.

Q. What is the purpose of your testimony in this proceeding?
A. The purpose of my testimony in this proceeding is to sponsor portions of SCE’s 2021 General Rate Case, Exhibit SCE-03, Volume 3: Customer Service Replatform, as identified in the Tables of Contents thereto.

Q. Was this material prepared by you or under your supervision?

Q. Insofar as this material is factual in nature, do you believe it to be correct?
A. Yes, I do.

Q. Insofar as this material is in the nature of opinion or judgment, does it represent your best judgment?
A. Yes, it does.

Q. Does this conclude your qualifications and prepared testimony?
A. Yes, it does.
SOUTHERN CALIFORNIA EDISON COMPANY
QUALIFICATIONS AND PREPARED TESTIMONY
OF JACOB MOON

Q. Please state your name and business address for the record.
A. My name is Jacob Moon and my business address is 2244 Walnut Grove Avenue, Rosemead, CA 91770-3714.

Q. Briefly describe your present responsibilities at the Southern California Edison Company.
A. I am currently a Senior Advisor within the Finance organizational unit of Southern California Edison (SCE). As such, I am responsible for the calculation of T&D O&M expenses, the calculation of certain allocation factors to O&M expense accounts in order to determine the FERC jurisdictional portion of O&M expenses, the determination of the jurisdictional split of transmission assets between CPUC and FERC by the Plant Study, and the forecast of capital additions to transmission plant in service and construction work in progress (CWIP) projects for use in determining the incremental forecast period base transmission revenue requirement (Base TRR).

Q. Briefly describe your educational and professional background.
A. I earned a Bachelor of Science degree in Mathematics and Applied Science with an emphasis in Actuarial Science from the University of California, Los Angeles and a Master of Business Administration degree from the A. Gary Anderson Graduate School Management at the University of California, Riverside. While there in November of 2000, I joined SCE as a Professional Aide. Since joining Edison, I have held various positions in the T&D Financial Planning and Analysis, EIX Corporate Financial Planning, and Operational Finance departments. My responsibilities have included long-term capital plan, long-term earnings forecast, stock-based payment (FAS 123(R)) pricing, and the development of O&M and capital ratemaking proposals for numerous regulatory proceedings before the California Public Utilities Commission and the Federal Energy Regulatory Commission. I have previously testified before the CPUC and the FERC.

Q. What is the purpose of your testimony in this proceeding?
A. The purpose of my testimony in this proceeding is to sponsor the portions of SCE’s 2021 General Rate Case, Exhibit SCE-07, Volume 1, entitled Results of Operations, as identified in the Table of Contents.
Q. Was this material prepared by you or under your supervision?
A. Yes, it was.
Q. Insofar as this material is factual in nature, do you believe it to be correct?
A. Yes, I do.
Q. Insofar as this material is in the nature of opinion or judgment, does it represent your best judgment?
A. Yes, it does.
Q. Does this conclude your qualifications and prepared testimony?
A. Yes, it does.
Q. Please state your name and business address for the record.
A. My name is Jamie Morehead, and my business address is 1515 Walnut Grove Avenue, Rosemead, California 91770.

Q. Briefly describe your present responsibilities at the Southern California Edison Company.
A. I am Director, Talent Solutions. I have oversight of the Talent Management, Talent Acquisition, Enterprise Learning & Development, and Diversity & Inclusion departments. I am responsible for the development and execution of the Talent Solutions strategies including the diversity and inclusion strategy roadmap. I am also accountable for the enterprise wide employee and executive development and succession plans, leadership and high performer development programs, and staff training and compliance.

Q. Briefly describe your educational and professional background.
A. I have a Bachelors of Science degree in Business Management from North Carolina State University in Raleigh, North Carolina. I have also completed the Advanced Human Resources Executive Program from the University of Michigan, Ross School of Business and the Modern Chief Human Resource Officer Program from Cornell University, ILR Executive Education. Prior to joining Southern California Edison in my current role in August 2016, I held various positions at Parsons Corporation including; Vice President – MENA Human Resources; Vice President, Operations – Corporate Human Resources & PWI Human Resources Director; Vice President, Human Resources – Parsons Government Services; and finally Vice President, HR Operational Services – Parsons Corporation. I have approximately 22 years of experience in the human resource field. I have not previously testified before the California Public Utilities Commission.

Q. What is the purpose of your testimony in this proceeding?
A. The purpose of my testimony in this proceeding is to sponsor portions of Exhibit SCE-06, Volume 3, entitled Enterprise Support – Employee Support, Compensation and Benefit Programs and Employee Training and Development as identified in the Table of Contents thereto.
Q. Was this material prepared by you or under your supervision?
A. Yes, it was.
Q. Insofar as this material is factual in nature, do you believe it to be correct?
A. Yes, I do.
Q. Insofar as this material is in the nature of opinion or judgment, does it represent your best judgment?
A. Yes, it does.
Q. Does this conclude your qualifications and prepared testimony?
A. Yes, it does
Q. Please state your name and business address for the record.
A. My name is Rick Nanda, and my business address is 2131 Walnut Grove Avenue, Rosemead CA 91770.

Q. Briefly describe your present responsibilities at the Southern California Edison Company.
A. I am the Principal Manager of Enterprise Application management and Data and Information Architecture.

Q. Briefly describe your educational and professional background.
A. I have a Bachelor of Science degree in Economics from UC Santa Barbara and Pepperdine University. I also have 15 years of experience at Southern California Edison with over 13 years in IT. My experience ranges from Client Relationship Management (CRM) systems, Portfolio Planning, Project Delivery, and IT Operations Support. Prior to SCE, I was an Operations Project Manager for a Commercial Real Estate and Investment Advisory firm.

Q. What is the purpose of your testimony in this proceeding?
A. The purpose of my testimony in this proceeding is to sponsor the portions of SCE-6, Volume 1 Part 1, entitled Enterprise Support—Enterprise Technology, and SCE-06, Volume 1 Part. 2, entitled Enterprise Support—Enterprise Technology, OU Capitalized Software, as identified in the Table of Contents thereto.

Q. Was this material prepared by you or under your supervision?
A. Yes, it was.

Q. Insofar as this material is factual in nature, do you believe it to be correct?
A. Yes, I do.

Q. Insofar as this material is in the nature of opinion or judgment, does it represent your best judgment?
A. Yes, it does.

Q. Does this conclude your qualifications and prepared testimony?
A. Yes, it does.
SOUTHERN CALIFORNIA EDISON COMPANY
QUALIFICATIONS AND PREPARED TESTIMONY
OF DONALD NEAL

Q. Please state your name and business address for the record.
A. My name is Donald Neal, and my business address is 2244 Walnut Grove Avenue, Rosemead, CA 91770.

Q. Briefly describe your present responsibilities at the Southern California Edison Company.
A. I am the Director of the Environmental Services Department. I am responsible for developing and implementing programs necessary for SCE to comply with applicable environmental requirements.

Q. Briefly describe your educational and professional background.
A. I hold a Bachelor of Science (B.S.) degree in Biology from the University of Massachusetts – Boston (1980) and a Master of Science (M.S.) degree in Biology from the University of Massachusetts – Boston (1983). I have worked for SCE for over seven years. Prior to joining SCE, I was the head of corporate environmental health and safety for Calpine Corporation, where I led initiatives to establish environmental compliance programs.

Q. What is the purpose of your testimony in this proceeding?
A. The purpose of my testimony in this proceeding is to sponsor portions of SCE’s 2021 General Rate Case Exhibit SCE-06 Volume 4, entitled Enterprise Support – Environmental Services, Audit, Ethics and Compliance, and Safety Programs, and Exhibit SCE-06 Volume 1 Part 2 entitled Enterprise Support – OU Capital Software as identified in the Table of Contents thereto.

Q. Was this material prepared by you or under your supervision?
A. Yes, it was.

Q. Insofar as this material is factual in nature, do you believe it to be correct?
A. Yes, I do.

Q. Insofar as this material is in the nature of opinion or judgment, does it represent your best judgment?
A. Yes, it does.

Q. Does this conclude your qualifications and prepared testimony?
A. Yes, it does.
SOUTHERN CALIFORNIA EDISON COMPANY
QUALIFICATIONS AND PREPARED TESTIMONY
OF TERRY OHANIAN

Q. Please state your name and business address for the record.
A. My name is Terry Ohanian and my business address is 3 Innovation Way, Pomona, California 91768.

Q. Briefly describe your present responsibilities at the Southern California Edison Company.
A. I am the Director of the Southeast Distribution Construction and Maintenance group within the Transmission and Distribution organizational unit of Southern California Edison (SCE). I am responsible for planning, maintenance and construction out of 14 district offices representing approximately half of the total distribution electrical line construction and maintenance activity at SCE.

Q. Briefly describe your educational and professional background.
A. I hold a Master of Business Administration degree from the University of Southern California and a Bachelor's degree in Electrical Engineering also from the University of Southern California. Prior to my current role, I was the principal manager of Distributions Programs and Strategy overseeing the distribution resource and performance managers throughout SCE territory. In this role, I was also responsible for a portion of the distribution project management function associated with infrastructure replacement and load growth. I have also held positions in Operational Finance at SCE and management positions at a construction management company specializing in facilities construction.

Q. What is the purpose of your testimony in this proceeding?
A. The purpose of my testimony in this proceeding is to sponsor the portions of SCE’s 2021 General Rate Case, SCE-02, Volume 01, Part 2, Distribution Inspections & Maintenance and Capital-Related, as identified in the Table of Contents.

Q. Was this material prepared by you or under your supervision?
A. Yes, it was.

Q. Insofar as this material is factual in nature, do you believe it to be correct?
A. Yes, I do.

Q. Insofar as this material is in the nature of opinion or judgment, does it represent your best judgment?
A. Yes, it does.

Q. Does this conclude your qualifications and prepared testimony?

A. Yes, it does.
Q. Please state your name and business address for the record.
A. My name is Marci Palmstrom and my business address is 2244 Walnut Grove Ave., Rosemead, CA 91770.

Q. Briefly describe your present responsibilities at the Southern California Edison Company.
A. I am Principal Manager in the Energy Procurement & Management (EPM) organizational unit at Southern California Edison (SCE). EPM manages approximately $4 billion of energy procurement spend to meet the electricity needs of customers while complying with energy-related legislative and regulatory requirements. EPM does this by implementing comprehensive energy resource procurement strategies, optimizing the electric supply from its utility-owned generation and energy procurement contracts in the wholesale power market, and prudently executing and managing energy procurement contracts. The approximately $4 billion of direct energy procurement costs are forecasted and recorded as part of SCE’s Energy Resource Recovery Account (ERRA Balancing Account) Proceeding, whereas O&M costs and capital expenditures associated with performing energy procurement functions are part of the GRC. I lead the Center of Excellence which manages budgets, maintains business process documents, facilitates and tracks continuous improvement projects, implements business continuity plans, and manages information governance.

Q. Briefly describe your educational and professional background.
A. I earned a Bachelor of Arts in Communications with a minor in Business Administration from California State University, Fullerton and a Master of Public Administration from California State University, Northridge. I first joined Southern California Edison in 2003 as a project manager in the energy efficiency group where I managed an incentive program for large commercial and industrial customers. From 2007 to 2010 I worked in the Renewable and Alternative Power group as a Project Manager in regulatory policy. Prior to joining SCE, I worked for ICF Consulting as a Senior Associate from 2000 to 2003 on energy efficiency and environmental programs.

Q. What is the purpose of your testimony in this proceeding?
A. The purpose of my testimony in this proceeding is to sponsor the portions of SCE’s 2021 General Rate Case, SCE-05 Vol. 2 and SCE-06 Vol. 1, Part 2, as identified in the Table of Contents.

Q. Was this material prepared by you or under your supervision?
A. Yes, it was.

Q. Insofar as this material is factual in nature, do you believe it to be correct?
A. Yes, I do.

Q. Insofar as this material is in the nature of opinion or judgment, does it represent your best judgment?
A. Yes, it does.

Q. Does this conclude your qualifications and prepared testimony?
A. Yes, it does.
SOUTHERN CALIFORNIA EDISON COMPANY

QUALIFICATIONS AND PREPARED TESTIMONY

OF CHRISTOPHER PAQUETTE

Q. Please state your name and business address for the record.
A. My name is Christopher Paquette and my business address is 8631 Rush St, Rosemead, California 91770.

Q. Briefly describe your present responsibilities at the Southern California Edison Company.
A. I am the Principal Manager of the Project Management Organization (PMO) in the Corporate Real Estate Organization. I am responsible for overseeing planning, design, program management and construction oversight for capital projects.

Q. Briefly describe your educational and professional background.
A. I have worked for Southern California Edison for over fifteen years with increasing responsibilities in various technical engineering, critical and data center program management, management of facility strategic planning and management of facility construction positions. Before joining SCE, I worked at Pacific Gas and Electric (PG&E), Arizona Public Service (APS) and Illinois Power. I hold a Architectural Technology (AAS Degree) from the State University of NY and have completed senior coursework in Civil Engineering. I hold certifications as a Professional Management Professional (PMP), Leadership in Energy and Environmental Design (LEED-AP), and Project Management (University of California, Irvine).

Q. What is the purpose of your testimony in this proceeding?
A. The purpose of my testimony in this proceeding is to sponsor the portions of SCE’s 2021 General Rate Case, SCE-06 Volume. 05 Enterprise Operations, as identified in the Table of Contents.

Q. Was this material prepared by you or under your supervision?
A. Yes, it was.

Q. Insofar as this material is factual in nature, do you believe it to be correct?
A. Yes, I do.

Q. Insofar as this material is in the nature of opinion or judgment, does it represent your best judgment?
A. Yes, it does.

Q. Does this conclude your qualifications and prepared testimony?
A. Yes, it does.
SOUTHERN CALIFORNIA EDISON COMPANY
QUALIFICATIONS AND PREPARED TESTIMONY
OF KEVIN M. PAYNE

Q. Please state your name and business address for the record.
A. My name is Kevin M. Payne, and my business address is 8631 Rush Street, Rosemead, California, 91770.

Q. Briefly describe your present responsibilities at the Southern California Edison Company.
A. I am the Chief Executive Officer of SCE. My duties encompass the management of transmission, distribution, customer service, information technology, power production and energy procurement, and related corporate functions of the company.

Q. Briefly describe your educational and professional background.
A. I hold a Bachelor of Science degree in Mechanical Engineering from the University of California, Berkeley and I am a registered Professional Engineer in the state of California. I have worked for SCE for over 25 years, holding a variety of leadership positions. Prior to my current position, I was the Senior Vice President of Customer Service, Vice President of Engineering & Technical Services for Transmission & Distribution, and led SCE’s implementation of SAP as Vice President of Enterprise Resource Planning. In 2004 and 2005, I had responsibility for SCE’s renewable and alternative power portfolio as Director of Qualifying Facilities Resources. Prior to that I held a number of leadership positions in Customer Service, including business customer account management and technical positions.

Q. What is the purpose of your testimony in this proceeding?
A. The purpose of my testimony in this proceeding is to sponsor portions of SCE’s 2021 General Rate Case, Exhibit SCE-01, entitled SCE Policy, as identified in the Table of Contents thereto.

Q. Was this material prepared by you or under your supervision?
A. Yes, it was.

Q. Insofar as this material is factual in nature, do you believe it to be correct?
A. Yes, I do.

Q. Insofar as this material is in the nature of opinion or judgment, does it represent your best judgment?
A. Yes, it does.

Q. Does this conclude your qualifications and prepared testimony?
A. Yes, it does.
Q. Please state your name and business address for the record.
A. My name is Matthew Peacore, and my business address is 2131 Walnut Grove Ave, Rosemead CA 91770

Q. Briefly describe your present responsibilities at the Southern California Edison Company.
A. I am the IT Principal Manager for digital design and solutions as part of the Digital Accelerator organization. In this role I am responsible for:
   - Developing and maintaining digital architectures and solution design
   - Developing and managing advanced analytics solutions
   - Developing and maintaining digital standards & methodologies and management of the digital center of excellence
   - Managing digital products and developing & maintaining the portfolio roadmap for digital solutions

Q. Briefly describe your educational and professional background.
A. I have a Bachelor of Science degree in Mechanical Engineering from the University of Southern California (USC) as well as a Master of Business Administration from USC. For the past 22 years I have held various information technology leadership roles in application development, solution delivery, systems support, architecture and innovation, with expertise in analytics, supply chain management, sales, manufacturing, human resources, learning and development, engineering and energy/utilities. Of those 22 years, I have worked for the last 10 years at SCE, and prior to that at the Capital Group Companies and Mars Inc.

Q. What is the purpose of your testimony in this proceeding?
A. The purpose of my testimony in this proceeding is to sponsor the portions of Exhibit SCE-06, Volume 2, entitled Enterprise Support- Enterprise Planning & Governance , as identified in the Table of Contents thereto.

Q. Was this material prepared by you or under your supervision?
A. Yes, it was.

Q. Insofar as this material is factual in nature, do you believe it to be correct?
A. Yes, I do.
Q. Insofar as this material is in the nature of opinion or judgment, does it represent your best judgment?

A. Yes, it does.

Q. Does this conclude your qualifications and prepared testimony?

A. Yes, it does.
Q. Please state your name and business address for the record.
A. My name is Carter Prescott, and my business address is 1515 Walnut Grove Avenue, Rosemead, California 91770.

Q. Briefly describe your present responsibilities at the Southern California Edison Company.
A. I am the Principal Manager of eMobility® Operations, in the Customer Programs and Services Organization. In this role, I have responsibility for infrastructure deployment and management of our Transportation Electrification programs and pilots.

Q. Briefly describe your educational and professional background.
A. I hold a Bachelor of Science Degree in Business Management and Accounting, and a Master of Business Administration Degree with a concentration in Management and Leadership. I have worked for Southern California Edison for over fifteen years with increasing responsibilities in various financial analysis, financial management, regulatory and operational positions.

Q. What is the purpose of your testimony in this proceeding?
A. The purpose of my testimony in this proceeding is to sponsor portions of SCE’s 2021 General Rate Case, Exhibit SCE-03, entitled Customer Interactions, as identified in the Table of Contents thereto.

Q. Was this material prepared by you or under your supervision?
A. Yes, it was.

Q. Insofar as this material is factual in nature, do you believe it to be correct?
A. Yes, I do.

Q. Insofar as this material is in the nature of opinion or judgment, does it represent your best judgment?
A. Yes, it does.

Q. Does this conclude your qualifications and prepared testimony?
A. Yes, it does.
SOUTHERN CALIFORNIA EDISON COMPANY
QUALIFICATIONS AND PREPARED TESTIMONY
OF ROBERT E. RAMOS

Q. Please state your name and business address for the record.
A. My name is Robert E. Ramos, and my business address is 2244 Walnut Grove Avenue, Rosemead, California 91770.

Q. Briefly describe your present responsibilities at the Southern California Edison Company.
A. I am the Director of Risk & Claims Management and oversee the investigation and litigation of third party claims as well as the collections of property damage claims.

Q. Briefly describe your educational and professional background.
A. I earned a Bachelor’s degree in Business Administration from USC in 1989. I joined SCE in 1997 as a Claims Representative in the Law Department. I have worked in this department since then. I became Investigations Manager in 2002 and Manager of Claims in 2010.

Q. What is the purpose of your testimony in this proceeding?
A. The purpose of my testimony in this proceeding is to sponsor portions of SCE’s 2021 General Rate Case, Exhibit SCE-06, Volume 2, entitled Enterprise Planning & Governance, Legal, Claims, and portions of SCE-06 Volume 1 Part 2 titled Enterprise Technology-OU Capital Software, as identified in the Table of Contents thereto.

Q. Was this material prepared by you or under your supervision?
A. Yes, it was.

Q. Insofar as this material is factual in nature, do you believe it to be correct?
A. Yes, I do.

Q. Insofar as this material is in the nature of opinion or judgment, does it represent your best judgment?
A. Yes, it does.

Q. Does this conclude your qualifications and prepared testimony?
A. Yes, it does.
Q. Please state your name and business address for the record.
A. My name is Tracee Reeves, and my business address is 1 Innovation Way, Pomona, CA 91768.

Q. Briefly describe your present responsibilities at the Southern California Edison Company.
A. I am the Manager of the Transmission & Distribution Contract Management & Financial Operations group. In this capacity, I oversee the management of FERC and CPUC third-party construction-related contracts whereby the customer provides a contribution (either monetary or deeded) to SCE. I also oversee non-energy billing activities, payment processing for contract related activities such as line rents, permits, jointly owned facilities, CAISO and various other accounting-related activities for T&D.

Q. Briefly describe your educational and professional background.
A. I am a Certified Public Accountant (inactive) and hold a Masters Degree in Finance from Loyola Marymount University, Westchester CA, and a Bachelor of Science Degree in Accounting from California State Polytechnic University, Pomona CA. I began my career with SCE in 1998 and have held various professional and management positions within the T&D Department. I have previously testified before this Commission.

Q. What is the purpose of your testimony in this proceeding?
A. The purpose of my testimony in this proceeding is to sponsor SCE’s 2021 General Rate Case, Exhibit SCE-02, Volume 7, entitled Transmission & Distribution – Other Costs and Other Operating Revenue, as identified in the Table of Contents thereto.

Q. Was this material prepared by you or under your supervision?
A. Yes, it was.

Q. Insofar as this material is factual in nature, do you believe it to be correct?
A. Yes, I do.

Q. Insofar as this material is in the nature of opinion or judgment, does it represent your best judgment?
A. Yes, it does.

Q. Does this conclude your qualifications and prepared testimony?
A. Yes, it does.
Q. Please state your name and business address for the record.
A. My name is Eric Roddick, my business address is 2131 Walnut Grove Ave, Rosemead CA 91770

Q. Briefly describe your present responsibilities at the Southern California Edison Company.
A. I lead the Business & Strategic Planning team within the Information Technology (IT) Organizational Unit (OU). I am responsible for creating IT’s business strategy, budget, and operating plans. This includes governance over the prioritization and sequence in which work activities are considered in operating plans. I am also responsible for measuring performance against those plans.

Q. Briefly describe your educational and professional background.
A. I have a BS in Business Administration and an MBA with an emphasis in Information Management. I have been in the field of technology business management for 10 years. Prior to that, I held leadership positions in the field of property & casualty insurance for 15 years.

Q. What is the purpose of your testimony in this proceeding?
A. The purpose of my testimony in this proceeding is to sponsor the portions of Exhibit SCE-06, Volume 1 Part 1, entitled Enterprise Support- Enterprise Technology. I am also sponsoring portions of Exhibit SCE-06, Volume 1 Part 2, entitled Enterprise Support- Enterprise Technology, OU Capitalized Software, as identified in the Table of Contents thereto.

Q. Was this material prepared by you or under your supervision?
A. Yes, it was.

Q. Insofar as this material is factual in nature, do you believe it to be correct?
A. Yes, I do.

Q. Insofar as this material is in the nature of opinion or judgment, does it represent your best judgment?
A. Yes, it does.

Q. Does this conclude your qualifications and prepared testimony?
A. Yes, it does.
Q. Please state your name and business address for the record.
A. My name is Jonathan Rumble, and my business address is 2244 Walnut Grove Avenue, Rosemead, CA 91770.

Q. Briefly describe your present responsibilities at the Southern California Edison Company.
A. I am the Principal Manager of Regulatory Economics in the Treasurers organization.

Q. Briefly describe your educational and professional background.
A. I hold a Masters degree in Business Administration from the University of California – Los Angeles and Bachelors degrees in Economics and Government from Skidmore College – Saratoga Springs, NY. Prior to my current position I was Principal Manager, Modeling, Forecasting and Economic Analysis in the Strategy, Planning and Operational Performance organization responsible for developing and advancing corporate strategic planning efforts around the decarbonization of the California electric system in a reliable and cost-effective manner. I have also served as a senior financial analyst at Edison International where I was responsible for the consolidated 10-year financial forecast for Edison International and subsidiaries. Prior to joining Edison in 2003, I worked for Navigant Consulting, Inc. in New York, NY, where I led teams of financial consultants.

Q. What is the purpose of your testimony in this proceeding?
A. The purpose of my testimony in this proceeding is to sponsor the portions of SCE’s 2021 General Rate Case, Exhibit SCE-07, Volume 4, Part 2 entitled Post-Test Year Ratemaking and SCE 07 Volume 2, Part 3.D.3 Working Cash Adjustments- Customer Deposits as identified in the Table of Contents thereto.

Q. Was this material prepared by you or under your supervision?
A. Yes, it was.

Q. Insofar as this material is factual in nature, do you believe it to be correct?
A. Yes, I do.
Q. Insofar as this material is in the nature of opinion or judgment, does it represent your best judgment?
A. Yes, it does.

Q. Does this conclude your qualifications and prepared testimony?
A. Yes, it does.
SOUTHERN CALIFORNIA EDISON COMPANY
QUALIFICATIONS AND PREPARED TESTIMONY
OF RANBIR SEKHON

Q. Please state your name and business address for the record.
A. My name is Ranbir Sekhon, and my business address is 2244 Walnut Grove Avenue, Rosemead, California 91770.

Q. Briefly describe your present responsibilities at the Southern California Edison Company.
A. I am Director of the Business Transformation department of Southern California Edison's (SCE’s) Strategy Planning and Operational Performance organization.

Q. Briefly describe your educational and professional background.
A. I graduated from Queen Mary College, University of London in May of 1998 with a Bachelor of Science Degree in Mathematics and Computing with First Class Honors. Prior to joining SCE I worked briefly for ABN Amro in their corporate finance department and for nine years as a Management Consultant for PA Consulting Group. During my time with PA I reached the rank of Principal Consultant and was responsible for managing teams of consultants on various consulting projects. Six of my nine years with PA was spent working with global energy sector clients on engagements ranging from Energy Transaction and Risk Management (ETRM) systems implementation to Business Process and Quantitative Model development. I joined SCE as Manager of Portfolio Planning & Management in August 2007 and have held various roles responsible for monthly risk and resource adequacy reporting to CPUC, analytical model development, managing all valuation processes related to renewable, alternative and conventional procurement and developing analytical models to support SCE’s hedging program. I moved into my current role as Director of Business Transformation overseeing SCE’s continuous improvement activities in September of 2018. I have previously testified before the Commission.

Q. What is the purpose of your testimony in this proceeding?
A. The purpose of my testimony in this proceeding is to sponsor portions of SCE’s General Rate Case, Exhibit SCE-06, Volume 2, entitled Enterprise Support- Enterprise Planning & Governance, as identified in the Table of Contents thereto.

Q. Was this material prepared by you or under your supervision?
A. Yes, it was.
Q. Insofar as this material is factual in nature, do you believe it to be correct?
A. Yes, I do.
Q. Insofar as this material is in the nature of opinion or judgment, does it represent your best judgment?
A. Yes, it does.
Q. Does this conclude your qualifications and prepared testimony?
A. Yes, it does.
Q. Please state your name and business address for the record.
A. My name is Hongyan Sheng, and my business address is 2244 Walnut Grove Avenue, Rosemead, California 91770.

Q. Briefly describe your present responsibilities at the Southern California Edison Company.
A. I am the Manager of the Demand and DER Forecasting Group within the Environmental Strategy Analytics Division in Edison’s Strategy, Planning, and Operation Performance Business Organization. My primary responsibilities include supervising the preparation of corporate’s long-term sales forecast update, managing the integration of the impacts from Demand-Side Management Programs, electric vehicle and transportation electrification development, and future regulatory and policy changes into the long-term demand forecast, support the regulatory proceedings such as the Generate Rate Case (GRC), Integrated Energy Policy Report (IEPR), Integrated Resource Planning (IRP), Distributed Resource Planning (DRP), Resource Adequacy (RA), and Energy Resource Recovery Account (ERRA).

Q. Briefly describe your educational and professional background.
A. My educational background includes a Master of Arts Degree in Mathematical Behavioral Science (1997) and a Ph.D degree in Economics (1999) from University of California, Irvine. I received the Chartered Financial Analyst Designation in 2004. I have over 20 years of experience in various aspects of Long-term Resource and Strategic Planning, Power Procurement, Market Operations, and Risk Management. I assumed my current responsibilities in May 2016. Prior to my current position, I was the manager of Long-term Demand Forecasting Group.

Q. What is the purpose of your testimony in this proceeding?
A. The purpose of my testimony in this proceeding is to sponsor the portions of SCE’s 2021 General Rate Case, SCE-07 Results of Operations Vol. 1, as identified in the Table of Contents thereto.

Q. Was this material prepared by you or under your supervision?
A. Yes, it was.

Q. Insofar as this material is factual in nature, do you believe it to be correct?
A. Yes, I do.
Q. Insofar as this material is in the nature of opinion or judgment, does it represent your best judgment?
A. Yes, it does.
Q. Does this conclude your qualifications and prepared testimony?
A. Yes, it does.
SOUTHERN CALIFORNIA EDISON COMPANY
QUALIFICATIONS AND PREPARED TESTIMONY
OF NEIL EUGENE SHOCKEY

Q. Please state your name and business address for the record.
A. My name is Neil Eugene Shockey and my business address is 2244 Walnut Grove Ave, Rosemead, California 91770.

Q. Briefly describe your present responsibilities at Southern California Edison Company (SCE).
A. I am a Principal Manager of SCE’s Compliance Program Management Organization in the Ethics and Compliance Operating Unit. In this capacity, I manage a team that monitors various federal and state regulatory agencies and identifies compliance requirements from regulations issued by the CPUC, Federal Energy Regulation Commission (FERC), North American Electric Reliability Corporation (NERC), Western Electricity Coordinating Council (WECC), California Energy Commission (CEC) and Commodity Futures Trading Commission (CFTC), as well as manages a portfolio of projects to monitor compliance with various regulatory requirements.

Q. Briefly describe your educational and professional background.
A. I graduated from the University of Pittsburgh at Johnstown, Pennsylvania with a Bachelor of Science degree in Mechanical Engineering and have a Master of Business Administration degree from the University of La Verne, California. Additionally, I am a registered Professional Mechanical Engineer in the State of California. I began my career with Southern California Edison in 1983, starting in the Hydro Generation Division. I have held various positions in management, supervision and engineering in SCE’s Power Supply, Transmission & Distribution and Energy Procurement & Management Operating Units. In 2012, I became a Principal Manager and currently work in Ethics & Compliance.

Q. What is the purpose of your testimony in this proceeding?
A. The purpose of my testimony in this proceeding is to sponsor the portions of SCE’s 2021 General Rate Case SCE-08 Compliance Requirements as identified in the Table of Contents thereto.

Q. Was this material prepared by you or under your supervision?
A. Yes, it was.

Q. Insofar as this material is factual in nature, do you believe it to be correct?
A. Yes, I do.

Q. Insofar as this material is in the nature of opinion or judgment, does it represent your best judgment?
A. Yes, it does.

Q. Does this conclude your qualifications and prepared testimony?
A. Yes, it does.

A. Yes, it was.

Q. Insofar as this material is factual in nature, do you believe it to be correct?
A. Yes, I do.
Q. Insofar as this material is in the nature of opinion or judgment, does it represent your best judgment?
A. Yes, it does.
Q. Does this conclude your qualifications and prepared testimony?
A. Yes, it does.
Q. Please state your name and business address for the record.
A. My name is Aaron Smith and my business address is 3 Innovation Way, Pomona, California 91768.

Q. Briefly describe your present responsibilities at the Southern California Edison Company.
A. I am the Director of Central Design and Engineering. From December 2015 to October 2018, I held the position of Pole Program Management (PPM) Principal Manager. From October 2018 to June 2019, I held the position of PPM Interim Director. In that position, I was responsible for the Pole Loading Program and the Deteriorated Pole Program as well as the Joint Pole Organization. PPM manages various pole inspections and project manages the remediation of noncompliant poles.

Q. Briefly describe your educational and professional background.
A. I earned a Bachelor of Science degree in Biochemistry from the University of California Riverside in 1998. I have worked at Southern California Edison for over 15 years holding various positions including Distribution Service Planner, Planning Supervisor, Field General Supervisor, District Manager, and Regional Planning and Performance Manager.

Q. What is the purpose of your testimony in this proceeding?
A. The purpose of my testimony in this proceeding is to sponsor the portions of SCE’s 2021 General Rate Case, SCE-02, Volume 05, Poles, as identified in the Table of Contents.

Q. Was this material prepared by you or under your supervision?
A. Yes, it was.

Q. Insofar as this material is factual in nature, do you believe it to be correct?
A. Yes, I do.

Q. Insofar as this material is in the nature of opinion or judgment, does it represent your best judgment?
A. Yes, it does.

Q. Does this conclude your qualifications and prepared testimony?
A. Yes, it does.
SOUTHERN CALIFORNIA EDISON COMPANY
QUALIFICATIONS AND PREPARED TESTIMONY
OF JOHN SMOLK

Q. Please state your name and business address for the record.
A. My name is John Smolk, and my business address is 2244 Walnut Grove, Rosemead, CA 91770.

Q. Briefly describe your present responsibilities at the Southern California Edison Company.
A. I am the Principal Manager of Workers’ Compensation & Disability Management, where I manage the workers’ compensation claims administration, self-insurance programs and disability benefits including short term disability, long term disability and leaves for Southern California Edison. These responsibilities include completion of an annual actuarial study to determine liabilities and trends related to workers’ compensation and long term disability liabilities and expenses.

Q. Briefly describe your educational and professional background.
A. I received a B.S. in Health Sciences from Western Illinois University. I have professional designations including the Chartered Property Casualty Underwriter (CPCU) and Associate in Risk Management (ARM) and over 35 years of experience in risk management and workers’ compensation working for insurers, service providers and self-insured employers. I am currently a trustee with the California Self-Insurers Security Fund. And was past President of the Illinois Self Insurers Association and a past member of the Illinois Workers’ Compensation Commission Medical Fee Advisory Board.

Q. What is the purpose of your testimony in this proceeding?
A. The purpose of my testimony in this proceeding is to sponsor portions of SCE’s 2021 General Rate Case Exhibit SCE-06, Volume 2, entitled Enterprise Planning & Governance, Legal, Workers’ Compensation and Exhibit SCE-06, Volume 3, entitled Employee Benefits, Training & Support, Disability Management, as identified in the Table of Contents thereto.

Q. Was this material prepared by you or under your supervision?
A. Yes.

Q. Insofar as this material is factual in nature, do you believe it to be correct?
A. Yes.
Q. Insofar as this material is in the nature of opinion or judgment, does it represent your best judgment?
A. Yes.
Q. Does this conclude your qualifications and prepared testimony?
A. Yes.
Q. Please state your name and business address for the record.
A. My name is Douglas A. Snow, and my business address is 8631 Rush Street, Rosemead, California 91770.

Q. Briefly describe your present responsibilities at the Southern California Edison Company (SCE).
A. I am the Director of General Rate Case in SCE’s State Regulatory Operations Department. As such, I am responsible for the overall management of the General Rate Case (GRC), from the development of the company’s application and testimony, through the litigation process, and continuing through the implementation of a final decision.

Q. Briefly describe your educational and professional background.
A. I graduated from Texas A&M University in May of 1982 with a Bachelor of Science Degree in Industrial Engineering. In June of 1982, I went to work for Southwestern Public Service Company (SPS) in west Texas. While there, I was a supervisory engineer, responsible for revenue requirement calculations and rate design for both retail and resale customers. I filed testimony on behalf of SPS before the Texas Public Utility Commission and the Federal Energy Regulatory Commission. In November of 1993, I began to work for SCE as a financial analyst in the FERC Pricing section in the RP&A Department. While working in the FERC section, I was responsible for the rate design for SCE’s requirements sales for resale, Wheeling Access Charges, and wholesale Distribution Access Charges. In March 1998, I became a supervisor in the Revenue Requirements division of RP&A, responsible for supervising a group of analysts that oversee the forecasting and recording entries associated with all CPUC regulatory mechanisms. In December 2001, I was promoted to the position of manager in the Revenue Requirements division of RP&A. In August 2006, I was promoted to Manager of CPUC Revenue Requirements, and in March 2013, I became the Director of CPUC Revenue Requirements and Tariffs taking on the additional responsibilities for managing SCE’s tariffs, and advice letters. In March of 2018, I became the Director of the GRC. I have previously testified before the California Public Utilities Commission.
Q. What is the purpose of your testimony in this proceeding?
A. The purpose of my testimony in this proceeding is to sponsor portions of SCE’s General Rate Case, Exhibit SCE-09, Volume 1, entitled Results of Operations and Exhibit SCE-12, entitled Catastrophic Event Memorandum Account Testimony 2012 – 2014 Bark Beetle, as identified in the Table of Contents thereto.

Q. Was this material prepared by you or under your supervision?
A. Yes, it was.

Q. Insofar as this material is factual in nature, do you believe it to be correct?
A. Yes, I do.

Q. Insofar as this material is in the nature of opinion or judgment, does it represent your best judgment?
A. Yes, it does.

Q. Does this conclude your qualifications and prepared testimony?
A. Yes, it does.
QUALIFICATIONS AND PREPARED TESTIMONY
OF GARY A. STERN

Q. Please state your name and business address for the record.
A. My name is Gary A. Stern. I am employed by Southern California Edison Company (SCE). My business address is 2244 Walnut Grove Avenue, Rosemead, California 91770.

Q. Briefly describe your present responsibilities at SCE.
A. I am the Director of Energy Policy in SCE’s Regulatory Affairs organization. In this position, I am responsible for, amongst other things, regulatory policy and case management for proceedings with the California Public Utilities Commission. I also have a group that does strategic planning and projects for SCE. I have previously testified before the CPUC and FERC on many occasions, in various proceedings.

Q. Briefly describe your educational and professional background.
A. I received a Bachelor of Arts degree in Mathematics and Economics in 1979 from the University of California at San Diego. I received a Master of Arts degree in Economics in 1981 and a Doctorate in Economics in 1984, both from the University of California at San Diego. From 1981 to 1984, I worked as an econometrician on the research staff of Quantitative Economic Research, Inc. I joined SCE in 1984 as a Market Analyst. In 1985, I began working in Generation Planning where I analyzed demand and supply options. I worked on a wide variety of projects as an analyst, supervisor, and manager in System Planning. In 1996, I transferred to the Treasurer’s Department where I worked on industry restructuring. In February of 1998, I transferred to Regulatory Policies and Affairs and also in 1998 became the Director of Market Monitoring and Analysis in SCE’s Regulatory Policy and Affairs. In March 2006, I became the Director of Market Strategy and Resource Planning. In March of 2013 I became the Director of Energy Policy, which is the position I hold today.

Q. What is the purpose of your testimony in this proceeding?
A. The purpose of my testimony in this proceeding is to sponsor portions of SCE’s 2021 General Rate Case, Exhibit SCE-06, Volume 6, entitled Policy & External Engagement, as identified in the Table of Contents thereto.

Q. Was this material prepared by you or under your supervision?
A. Yes, it was.
Q. Insofar as this material is factual in nature, do you believe it to be correct?
A. Yes, I do.

Q. Insofar as this material is in the nature of opinion or judgment, does it represent your best judgment?
A. Yes, it does.

Q. Does this conclude your qualifications and prepared testimony?
A. Yes, it does.

Q. Insofar as this material is in the nature of opinion or judgment, does it represent your best judgment?
A. Yes, it does.

Q. Does this conclude your qualifications and prepared testimony?

A. Yes, it does.
SOUTHERN CALIFORNIA EDISON COMPANY
QUALIFICATIONS AND PREPARED TESTIMONY
OF DOUGLAS A. TESSLER

Q. Please state your name and business address for the record.
A. My name is Douglas A. Tessler, and my business address is 2244 Walnut Grove Avenue, Rosemead, California 91770.

Q. Briefly describe your present responsibilities at the Southern California Edison Company.
A. I am the Senior Manager of Regulatory Finance in the Financial Planning & Analysis section of the Treasurer’s Department. I am primary responsible for development of the Standardized Operations and Maintenance (O&M) and Capital Expenditure workpapers for all GRC and non-GRC CPUC Revenue Requirements. I am also responsible for maintaining the Results of Operations (RO) model used to calculate the CPUC revenue requirement.

Q. Briefly describe your educational and professional background.
A. I received a Bachelor of Science Degree in Accounting from California State Polytechnic University, Pomona in 1999 and Master of Science Degree in Business Administration from California State University, Fullerton in 2006. I am also a Certified Public Accountant (inactive). I began my career at Southern California Edison in 1997 as an Accounting Assistant in the Property Accounting area of the Controller’s Department. From 1999 to 2005, I worked in various accounting positions within the Controller’s Department. In 2005, I moved to the Audit Services Department where I worked as a Corporate Auditor. In 2008, I transferred to the Investor Relations Department at Edison International (the parent and holding company of Southern California Edison) where I worked as a Senior Financial Analyst. In 2010, I began working in the Revenue Requirements & Forecasting group in State Regulatory Operations as a project manager where I assumed my current position in 2015. In early 2018, the CPUC Revenue Requirements function was transferred from State Regulatory Operations to Treasurers.

Q. What is the purpose of your testimony in this proceeding?
A. The purpose of my testimony in this proceeding is to sponsor portions of SCE’s 2021 General Rate Case Exhibit SCE-07, Volume 1, entitled Results of Operations, as identified in the Table of Contents thereto.

Q. Was this material prepared by you or under your supervision?

A. Yes, it was.

Q. Insofar as this material is factual in nature, do you believe it to be correct?

A. Yes, I do.

Q. Insofar as this material is in the nature of opinion or judgment, does it represent your best judgment?

A. Yes, it does.

Q. Does this conclude your qualifications and prepared testimony?

A. Yes, it does.
Q. Please state your name and business address for the record.
A. My name is Robert Thomas, and my business address is 2244 Walnut Grove Avenue, Rosemead, California 91770.

Q. Briefly describe your present responsibilities at the Southern California Edison Company.
A. I am Manager of the Rate Design Group in the Regulatory Affairs Department at Southern California Edison Company. In this position, I am responsible for development of SCE’s rate designs. I have held this position since November 20, 2006.

Q. Briefly describe your educational and professional background.
A. I hold a Bachelor’s of Science and Engineering from the University of Arizona, a Masters in Business Administration from California State Polytechnic University, Pomona and a Professional Engineering License in Mechanical Engineering. Prior to my present position, my responsibilities have included Manager of the Analysis and Program Support Group, within SCE’s Business Customer Division, where I was responsible for providing customer specific rate and financial analyses involving self-generation, load growth, contract rates, and hourly pricing options. Prior to this position, I was the SCE’s Program Manager for the Self Generation Incentive Program. In this position, I was responsible for all aspects of the program to include dispute resolution, processing applications, program promotion and was SCE’s lead representative on the Working Group.

Q. What is the purpose of your testimony in this proceeding?
A. The purpose of my testimony in this proceeding is to sponsor the portions of testimony in SCE’s 2021 General Rate Case, Exhibit SCE-07, Volume 4, entitled Results of Operation, as identified in the Table of Contents thereto.

Q. Was this material prepared by you or under your supervision?
A. Yes, it was.

Q. Insofar as this material is factual in nature, do you believe it to be correct?
A. Yes, I do.

Q. Insofar as this material is in the nature of opinion or judgment, does it represent your best judgment?
A. Yes, it does.
Q. Does this conclude your qualifications and prepared testimony?
A. Yes, it does.
Q. Please state your name and business address for the record.

A. My name is Josef Torkelson, and my business address is 2 Innovation Way, Pomona, CA 91768.

Q. Briefly describe your present responsibilities at the Southern California Edison Company

A. I am a Senior Manager within Transmission & Distribution’s (T&D) Long Range Scheduling Organization in T&D Work Management. I have accountability for the T&D Information Technology (IT) Roadmap and Demand Management Process for all of Transmission, Substation, and Distribution in which technology projects and ideas are centrally collected, screened, and prioritized to ensure that SCE is performing the right work at the right time to support its strategies, goals and objectives. I am also accountable for the Long Range Scheduling group which plans out T&D’s portfolio of work to ensure we have an executable plan with the right resources to execute upon the plan. I also manage and oversee the bulk of the Work Management Technology Initiative Projects such as Project and Portfolio Management, Scheduling Refresh, and Work Management Dashboard. Lastly, I’m the business software owner of Primavera P6 which is our Enterprise Scheduling and Resourcing software implemented during Project and Portfolio Management Phase 1.

Q. Briefly describe your educational and professional background.

A. I hold a Bachelor’s Degree in Nuclear Engineering Technology and a Master of Business Administration from San Diego State University. I have worked at SCE for more than 9 years in various project management and work control/management functions. In my various positions at SCE I have implemented many large software and process projects and led strategic initiatives such as the Fukushima Event Response Project and Decommissioning Activities at San Onofre Nuclear Generating Station (SONGS). Prior to joining SCE, I served in the US Navy as a Nuclear Reactor Operator and Electronics Technician. I began my current position managing the T&D IT Roadmap as well as overseeing the T&D Long Range Plan on October 1st, 2016.

Q. What is the purpose of your testimony in this proceeding?

A. The purpose of my testimony in this proceeding is to sponsor the portions of SCE’s 2021 General Rate Case, Exhibit SCE-06, Volume 1, Part 2 entitled Enterprise Technology- Capitalized Software as identified in the Table of Contents thereto.
Q. Was this material prepared by you or under your supervision?
A. Yes, it was.

Q. Insofar as this material is factual in nature, do you believe it to be correct?
A. Yes, I do.

Q. Insofar as this material is in the nature of opinion or judgment, does it represent your best judgment?
A. Yes, it does.

Q. Does this conclude your qualifications and prepared testimony?
A. Yes, it does.
Q. Please state your name and business address for the record.
A. My name is Evangeline Torres, and my business address is 2131 Walnut Grove, Rosemead CA 91770.

Q. I am a Principal Manager within IT’s Enterprise Services - Solution Planning and Delivery organization. I have accountability for IT’s software development and delivery of technology projects supporting Transmission & Distribution. My role is to provide direction and oversight to a team of Senior Managers, Senior Project Managers, and Project Managers that directly manage the projects throughout their Software Development Lifecycle (SDCL). I oversee the SCE IT that partner with peer organizations to confirm the appropriateness of project estimates, utilize project governance committees to manage scope, adhere to the use of standard documentation, elicit clear requirements to reduce change requests, ensure the use of requirements trace-ability documentation to avoid gaps in development.

Q. Briefly describe your educational and professional background.
A. I have worked for Southern California Edison for almost 30 years. My experience spans across Customer Service (CS), Transmission & Distribution (T&D), and IT. I have served as and operational supervisor and manager within CS and T&D as well as a Project Manager, Program Manager, and Portfolio Manager within CS, T&D and IT. I have managed operational improvement projects, organizational re-alignment projects, and for most of my career technology projects. I have several years of experience managing projects on the Client side having oversight of requirements development, process design, user acceptance testing, deployment management, and OCM. I also have several years of experience managing projects and managing project managers on technology projects throughout the projects SDLC within the IT organization. I have a bachelor's degree in Business Administration from the University of La Verne, a certification in “IT Essentials for Business Leaders” from Pepperdine Graziadio School of Business, completed the “Project Management Masters Certificate Program” from George Washington University/ESI, possess certificates in Project Fundamentals, Risk Management, Managing Multiple Projects from University of California Irvine, and completed an Organizational Change Management Certification from PROSCI.
Q. What is the purpose of your testimony in this proceeding?
A. The purpose of my testimony in this proceeding is to sponsor the portions of Exhibit SCE-06, Volume 1, Part 2 entitled *Enterprise Technology- OU Capitalized Software* as identified in the Table of Contents thereto.

Q. Was this material prepared by you or under your supervision?
A. Yes, it was.

Q. Insofar as this material is factual in nature, do you believe it to be correct?
A. Yes, I do.

Q. Insofar as this material is in the nature of opinion or judgment, does it represent your best judgment?
A. Yes, it does.

Q. Does this conclude your qualifications and prepared testimony?
A. Yes, it does.
SOUTHERN CALIFORNIA EDISON COMPANY
QUALIFICATIONS AND PREPARED TESTIMONY
OF JOANNE TRAN

Q. Please state your name and business address for the record.
A. My name is Joanne Tran, and my business address is 2244 Walnut Grove Avenue,
   Rosemead, California 91770.

Q. Briefly describe your present responsibilities at the Southern California Edison Company.
A. I currently hold the position of Director of Financial and Corporate Audits in the Audit
   Services Department. My responsibilities include managing the planning and execution of
   audits of financial and regulatory matters, power procurement, contract and supply chain,
   human resources, SONGS decommissioning, and customer service including the customer
   service re-platform activities. I also manage the successful completion of management’s
   testing of internal controls and fraud risk assessment to ensure compliance with Sarbanes-
   Oxley requirements. Finally, I provide investigation support for our ethics and compliance
   groups.

Q. Briefly describe your educational and professional background.
A. I earned a Bachelor of Science degree in Business Administration, majoring in Accounting,
   from California State University, Los Angeles in 1994. I received Certified Management
   Certified Public Accountant designation in the State of California. Following my graduation
   from business school, I joined Southern California Gas Company from 1994 to 2005 where I
   held various positions in Cost Accounting, Audit Services, Financial and Budgeting, and Gas
   Acquisition departments. In 2005, I joined SCE’s Gas Trading group as a Senior Financial
   Gas Trader and was promoted to Manager of Gas Trading in 2009. In 2011, I became the
   Manager of Accounting and Reporting group in SCE’s Power Supply Finance department. I
   have over 19 years of experience in various aspects of the energy industry including utility
   accounting, utility auditing, gas procurement, and risk management. I have previously
   testified before the California Public Utilities Commission.

Q. What is the purpose of your testimony in this proceeding?
A. The purpose of my testimony in this proceeding is to sponsor portions of SCE’s 2021 General Rate Case Exhibit SCE-06, Volume 4, entitled Environmental Services, Audit, Ethics and Compliance, and Safety Programs.

A. My name is Gary Trumbo and my business address is 28250 Gateway Village Drive, Santa Clarita, CA 91355.

Q. Briefly describe your present responsibilities at the Southern California Edison Company.
A. I am the N/W Division Principal Manager within the Transmission organizational unit of Southern California Edison (SCE). I am responsible for the design, construction, inspection and maintenance of the N/W division in the Transmission business unit.

Q. Briefly describe your educational and professional background.
A. I am currently pursuing my Bachelors degree in Organizational Management with Colorado State Global. I have worked at SCE for 27 years holding numerous positions in Transmission and Distribution organizations: Seven years as a Senior Grid Manager in Transmission, two years as a Senior District Manager, and numerous years in field construction and design groups.

Q. What is the purpose of your testimony in this proceeding?
A. The purpose of my testimony in this proceeding is to sponsor the portions of SCE’s 2021 General Rate Case, SCE-02 Vol. 02 Transmission Grid as identified in the Table of Contents.

Q. Was this material prepared by you or under your supervision?
A. Yes, it was.

Q. Insofar as this material is factual in nature, do you believe it to be correct?
A. Yes, I do.

Q. Insofar as this material is in the nature of opinion or judgment, does it represent your best judgment?
A. Yes, it does.

Q. Does this conclude your qualifications and prepared testimony?
A. Yes, it does.
Q. Please state your name and business address for the record.
A. My name is Robert J. Tucker, and my business address is 2 Innovation Way, Pomona, California 91768.

Q. Briefly describe your present responsibilities at the Southern California Edison Company.
A. I am a Senior Manager of the Asset Strategy & Analytics group within the Business Planning organization of SCE’s Transmission and Distribution Business Unit. In that capacity, I am responsible for the development of asset management strategies and the performance of risk analyses related to electrical assets – particularly distribution assets – within the SCE system.

Q. Briefly describe your educational and professional background.
A. I have a Bachelor of Science degree in Engineering from Harvey Mudd College, a Master of Science degree in Mathematics from Claremont Graduate University, and a Master of Engineering degree in Electrical Engineering from the University of Idaho. I am a registered Professional Engineer in the state of California. I have worked for SCE for over 16 years, holding a variety of leadership positions since 2011 and technical positions since 2002. Prior to my current role, I held leadership positions that included Senior Manager within SCE’s Apparatus Engineering organization, Supervising Engineer within SCE’s Maintenance, Performance and Reliability organization, and Supervising Engineer within SCE’s Distribution Engineering organization. In each of these leadership roles, I was responsible for development or implementation of strategies regarding distribution system reliability performance and asset management. Prior to 2011, my technical positions at SCE included Senior Power System Planner within SCE’s Transmission & Interconnection Planning organization and Engineer within SCE’s Engineering organization.

Q. What is the purpose of your testimony in this proceeding?
A. The purpose of my testimony in this proceeding is to sponsor portions of SCE’s 2021 General Rate Case, SCE-02, Volume 1, Part 1 Distribution Infrastructure Replacement as identified in the Table of Contents thereto.

Q. Was this material prepared by you or under your supervision?
A. Yes, it was.
Q. Insofar as this material is factual in nature, do you believe it to be correct?
A. Yes, I do.

Q. Insofar as this material is in the nature of opinion or judgment, does it represent your best judgment?
A. Yes, it does.

Q. Does this conclude your qualifications and prepared testimony?
A. Yes, it does.
Q. Please state your name and business address for the record.
A. My name is Steve Verdon, and my business address is 8631 Rush Street, Rosemead, California 91770.

Q. Briefly describe your present responsibilities at the Southern California Edison Company.
A. I am a financial analyst in the Marginal Cost and Reporting Group in the Regulatory Operations Department. My responsibilities include the development, analysis and reporting of the rate group level forecast and Present Rate Revenue models in support of regulatory proceedings, pricing, and forecasting activities.

Q. Briefly describe your educational and professional background.
A. I have a Bachelor’s degree in Economics from University of California Los Angeles (UCLA). I also completed all coursework required for a Ph.D. in Economics at the George Washington University, with special emphasis in Econometrics and Public Finance. I joined SCE in 1998, as a Financial Analyst in the Regulatory Policy and Affairs Department. I began working on SCE’s rate group forecast in 1998, and in 1999 took over the Present Rate Revenue Model. In that capacity, I was involved in all aspects of forecasting customers, usage and demand by rate group including, program design, data extraction and verification, econometric modeling, and revenue calculations.

Q. What is the purpose of your testimony in this proceeding?
A. The purpose of my testimony in this proceeding is to sponsor the portions of SCE’s 2021 General Rate Case, portions of Exhibit SCE-07, Volume 1, entitled Results of Operations, as identified in the Table of Contents thereto.

Q. Was this material prepared by you or under your supervision?
A. Yes, it was.

Q. Insofar as this material is factual in nature, do you believe it to be correct?
A. Yes, I do.

Q. Insofar as this material is in the nature of opinion or judgment, does it represent your best judgment?
A. Yes, it does.
Q. Does this conclude your qualifications and prepared testimony?
A. Yes, it does.
Q. Please state your name and business address for the record.
A. My name is Dean Yarbrough and my business address is 6042 Irwindale Ave, Irwindale, CA 91702.

Q. Briefly describe your present responsibilities at the Southern California Edison Company.
A. I am the Director within the Employee and Contractor Safety under Safety, Security & Business Resiliency organizational unit of Southern California Edison (SCE). I manage the company’s safety performance for both employee and contractor safety and lead the development and implementation of various safety culture transformation programs within the company.

Q. Briefly describe your educational and professional background.
A. I joined the company in 2010 with more than 25 years of utility experience. Prior to my current role with SCE I have held positions as the T&D Director of Safety, Training, and Compliance, the Director of Western Operations in the Generation Organization, and the Director of Operations at our San Onofre Nuclear Generating Station.

Q. What is the purpose of your testimony in this proceeding?
A. The purpose of my testimony in this proceeding is to sponsor the portions of SCE’s 2021 General Rate Case, Exhibit SCE-06, entitled Environmental Services, Audit, Ethics and Compliance, and Safety Programs, and Exhibit SCE-06 Volume 1 Part 2 entitled Enterprise Support – OU Capital Software as identified in the Table of Contents.
